

Colour Explorer Missions

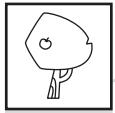

Try doodling some simple shapes using a pencil and then go over your drawings with a black pen. Look how it makes the pictures pop!

Grab some white chalk and draw pictures on the pavement outside or on black card. You could try to draw some white pictures with the chalk too. How about a skyscraper, with lots of brightly lit windows?

Did you know that mime artists wear black and white? Pop on some black and white clothes and try miming a word. Can your grown-up guess what you're trying to mime? Remember, no speaking!

Head outside to spot some black and white things. Can you find a road sign, a zebra crossing or a magpie? What else?

Fact File

These things are black:

These things are white:

Black and White's speakers broadcast their names loud and clear!

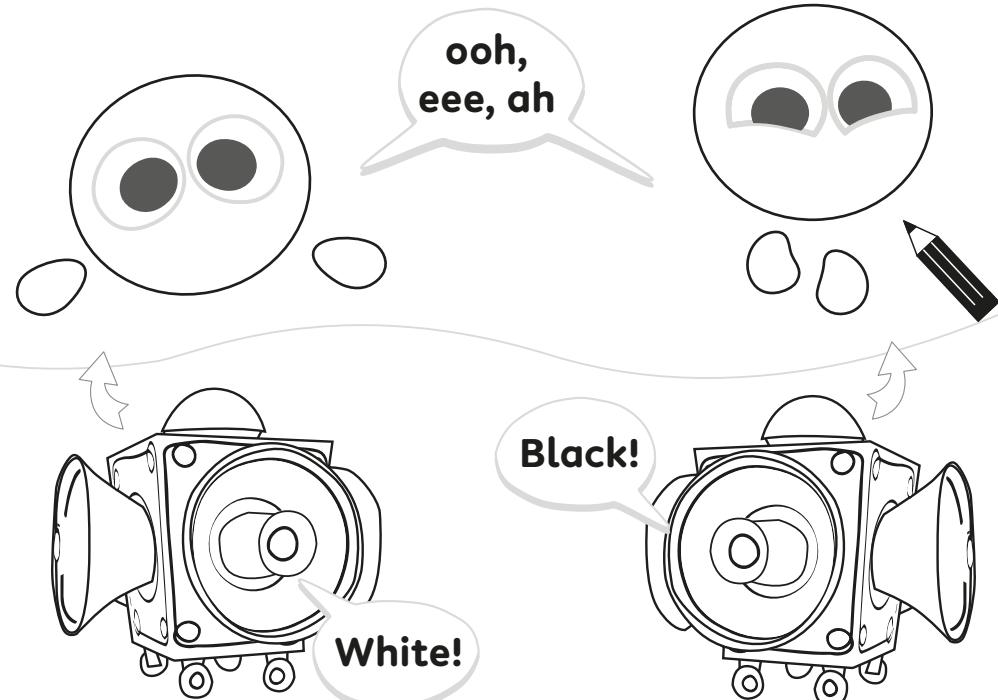

For your next mission, find the episode 'Shades of the Forest'

This mission belongs to...

Colour in Black and White and their speakers!

What colour are these friends? Shout out their names!

Level 3

Learn about Black and White

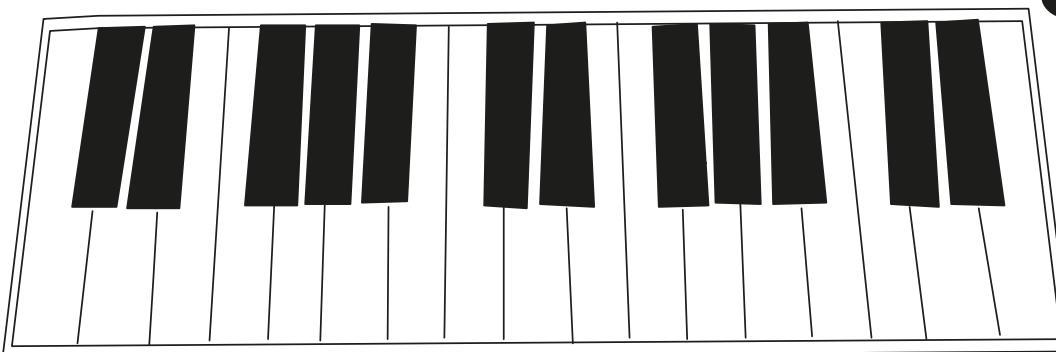

Black and White

A **black** and white world

Grab your black crayons to add all the details to these things!

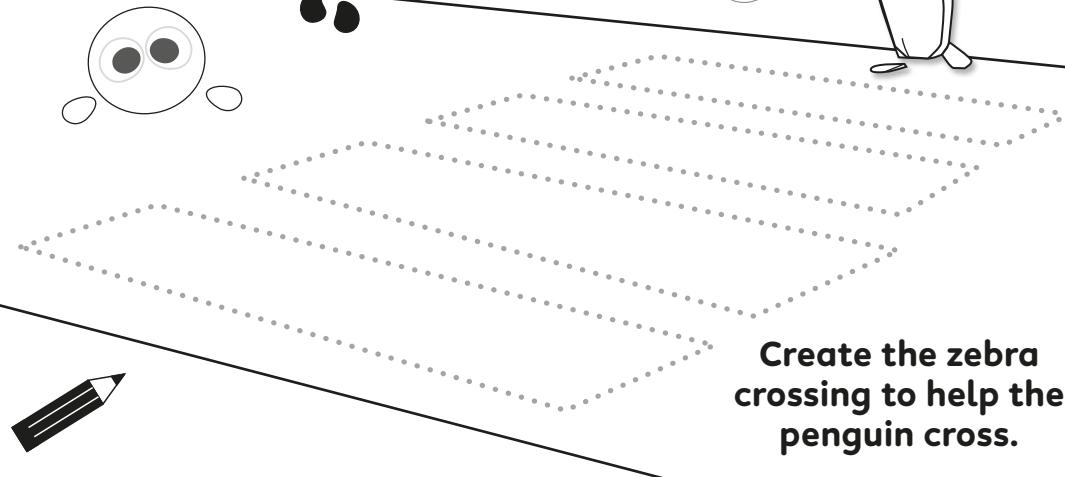

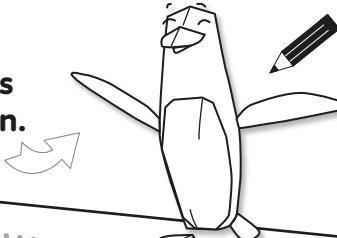

Look, all the little keys are black!

Colour the notes black and, pretend to play a little tune on the piano.

Add black details to this pretty penguin.

Create the zebra crossing to help the penguin cross.

Colour a black sky for the moon and stars to shine in?
