

# Colour Explorer Missions

Head outside and look for brown things in the real world. How about a tree trunk, a conker or an acorn, or the ground? What else?

With your grown-up, use a twig to draw a hopscotch area onto soft ground. You can add as many squares as you like, but we would suggest at least 5. Find a conker or a pebble, and throw it into one of the squares. Can you hop to get it back?

Wow, you've earned your explorer badge! Snip it out from the extra page and wear it.
