

Colour Explorer Missions

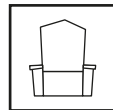

When you are out and about, see if you can spot something purple - look out for front doors or maybe a car!

Have a look in your toy box or toy cupboard, can you find any purple toys?

Go on a nature walk and see if you can spot purple-coloured plants, trees and flowers.

Finger-paint purple grapes!
On a separate piece of paper, draw a long green or brown line for the stem (or ask your grown-up to help). Find some purple paint and use your fingers to put grapes on both sides of the line until you have a big juicy bunch of grapes, yum!

Purple

Grab your purple pencil or crayon and spend some time colouring and doodling!

Can you draw around Purple on his throne? What else can you colour?

I am the king of colours!

Colour the presents with your favourite purple crayons!

Can you add some more presents to the pile?

Play Together

Make your own royal crown! First colour the crown. Next, ask a grown up to help you cut it out. Then wrap it around so the edges are touching and sticky tape the tabs together. If you want to add any other decorations to your crown, use your imagination! How about glitter or pom poms? Now you are ready to wear your crown like Purple, sing 'I am the king/queen of colours!'
