

Colour Explorer Missions

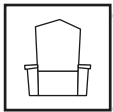

When you are out and about see if you can spot some patterns. Look at the front of buildings and on walls, pavements and roads.

Can you find some interesting patterns around the house? Think about curtains, cushions and bedding.

Patterns in nature! Can you find some patterns on a nature walk? Look at leaves, flowers and trees.

Royal Pattern Day!
Can you find something in your wardrobe that has a pattern on it? Wear it for the day and ask your grown-up to do the same! Then declare it Royal Pattern Day!

For your next mission, find the episode 'Rainbow'

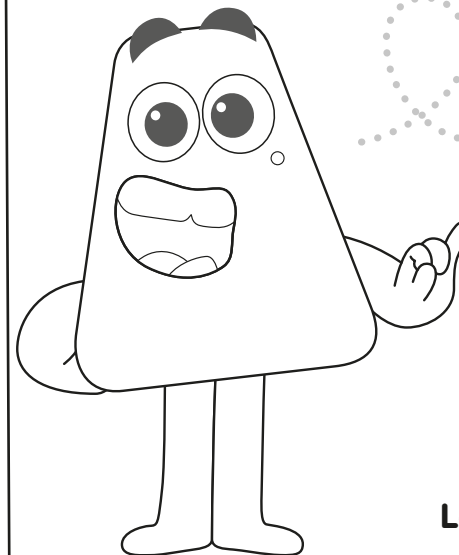

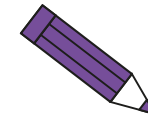

Purple's Patterns

This mission belongs to _____

Colour in Purple and his patterns!

Perfect patterns!

Can you name these patterns?
Look for loops, stripes and zigzags.

Level 2

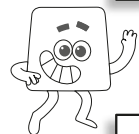

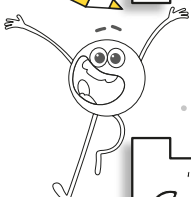

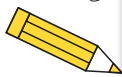

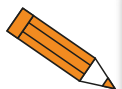

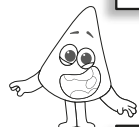

Learn about patterns

Purple's Patterns

Grab your colouring pens and pencils and get patterning!

Can you help Purple decorate his castle gardens with patterns?
A pattern is when you draw the same thing again and again.

Five horizontal rectangular boxes for drawing patterns. Each box has a decorative border of small circles and lines. The first four boxes contain dotted patterns for tracing: a series of arches, a series of circles, a series of wavy lines, and a series of overlapping circles. The fifth box is empty for a custom pattern.

Now try your own pattern here.

Play Together

Can you decorate the whole page with a super duper mega pattern? You can use your favourite patterns from the previous page. Or, use lots of different materials like leaves, sponges, paint and even your hands and fingers!
