

# Number Explorer Missions

**Find 4 pieces of fruit and share them evenly with a friend**

Colour if you like

**Count the fingers on one hand. Is that an odd or even number?**

Colour if you like

**Count the fingers on two hands. Is that an odd or even number?**

Colour if you like

## Play Together

Let's Share! Find ten safe objects around the house and collect them with your little learner. Place one thing in between you and your little learner.

Ask: "can we share this so we both have a thing?" Let your little learner try, then put your one thing back in the middle.

Add one more thing from the pile and ask again.

Continue adding one more until you have all ten things shared between you.

For your next mission, find the episode 'Fluffies'

# Odds and Evens
