

Number Explorer Missions

Can you spot a total of 7 fluffy things when you are out?

Find 4 toys and make a pile

Add another toy to the pile

Keep adding toys until you have 7.

How many more toys did you need?

Play Together

Make Seven! Using a six-side dice (or online dice roller), take turns rolling the dice with your little learner. For each number rolled, count on with your little learner until you reach Seven, then record the number you counted on the table.

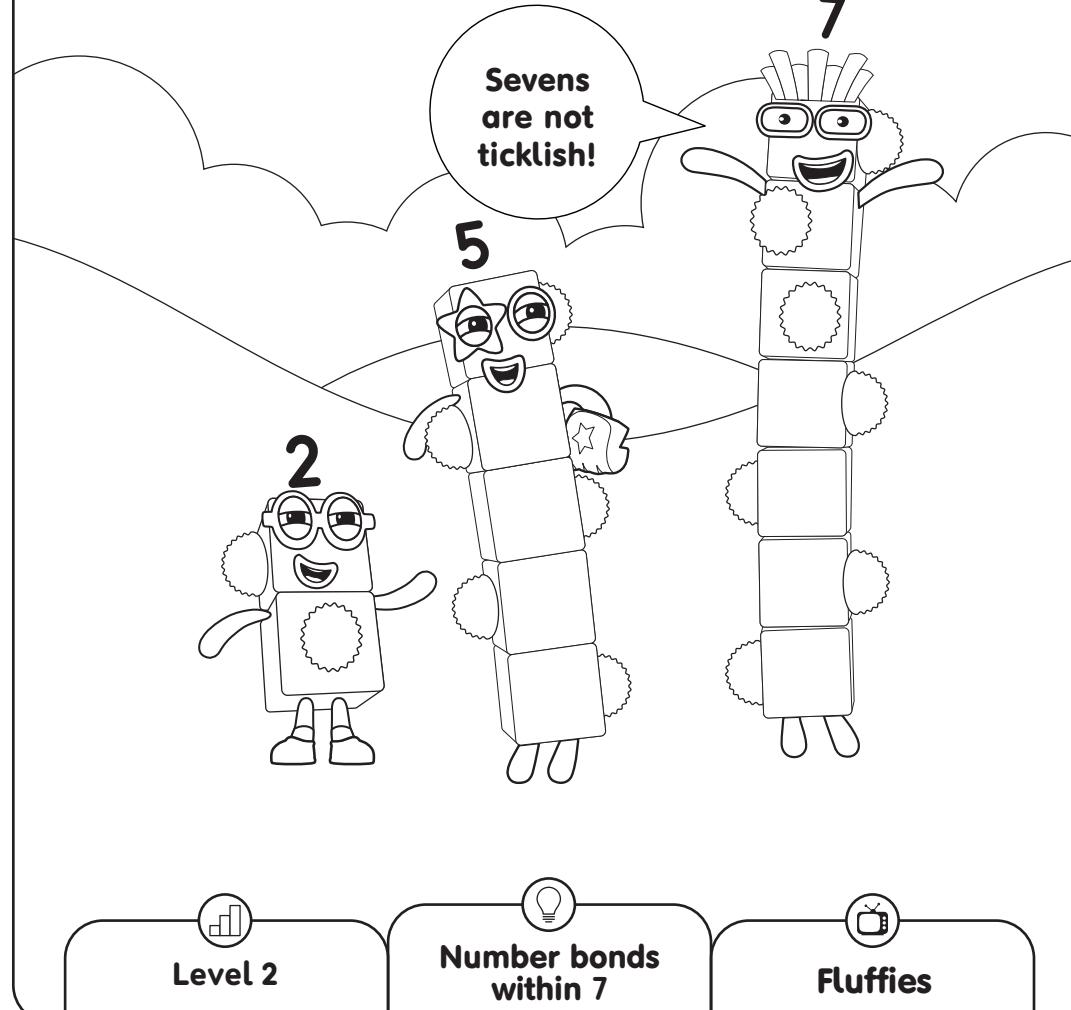

Can you find all the ways to make 7?

For your next mission, find the episode 'Blast Off'
