

# Number Explorer Missions

Use things at home (cans, boxes, building blocks etc) to build a tower.

How tall can you build your tower before it falls over?

How wide can you build your tower?

## Play Together

Build with shapes! Help your little learner cut out and colour all the shapes in the Tangram. Challenge them to make them back into a square.

What else can your little learner make with these shapes?

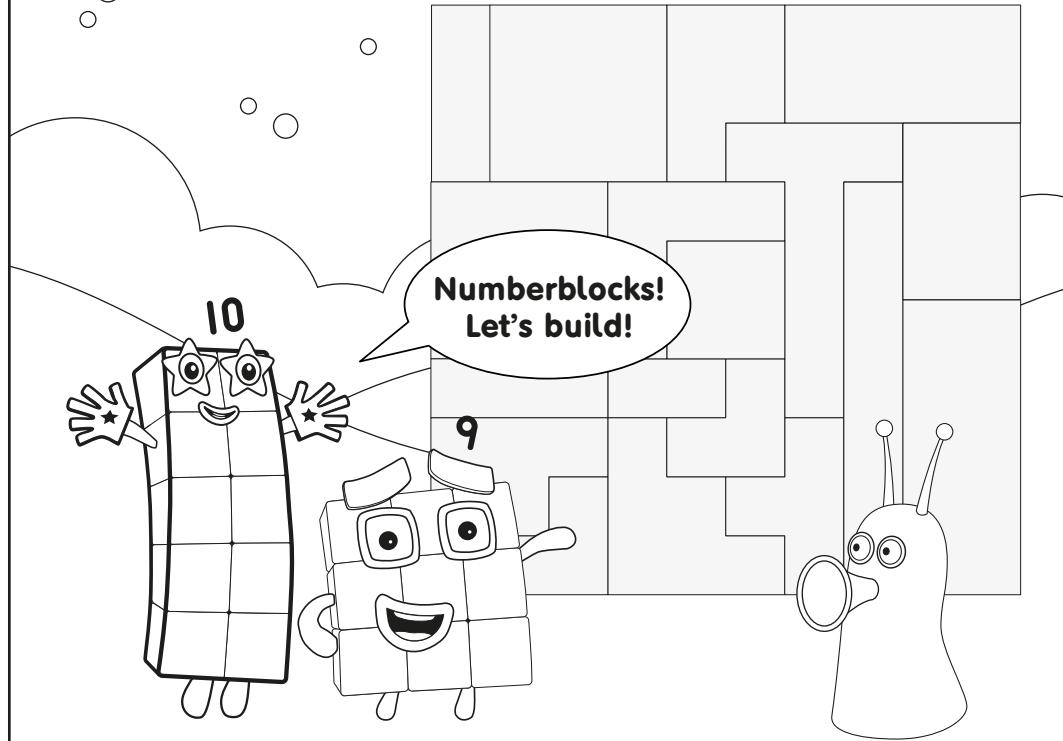

For your next mission, find the episode 'Peekaboo!'

4

# Building Blocks

This mission belongs to \_\_\_\_\_

Print pages 1 and 2 double-sided and fold in half to make a booklet

Level 2

Exploring space and pattern

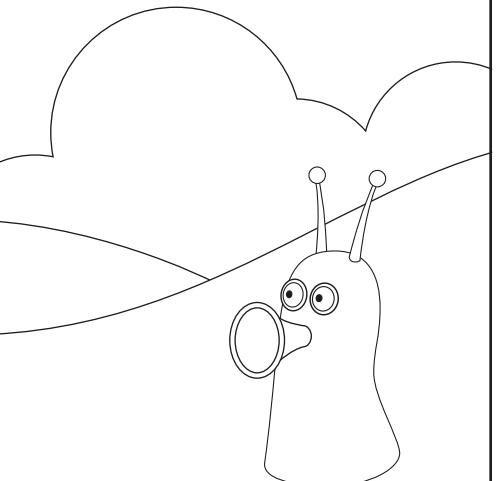

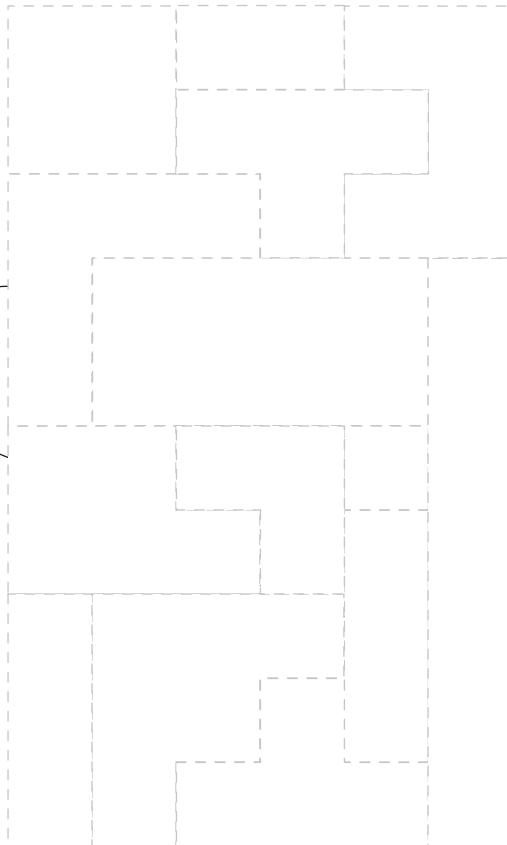

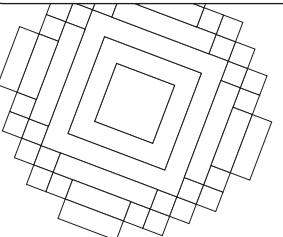

Building Blocks

# Get ready!

Find your shapes to cut out and use them to help answer the questions.

Can you use the shapes to build a tower to the alien's home?

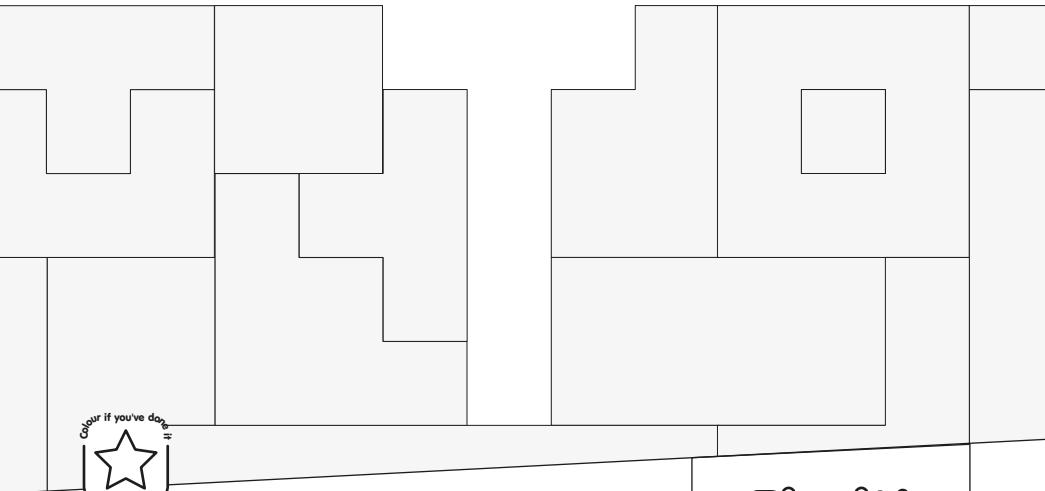

## Build it up!

2

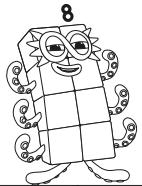

Can you find the right shape to fill the hole in this wall?

## Fill it in!

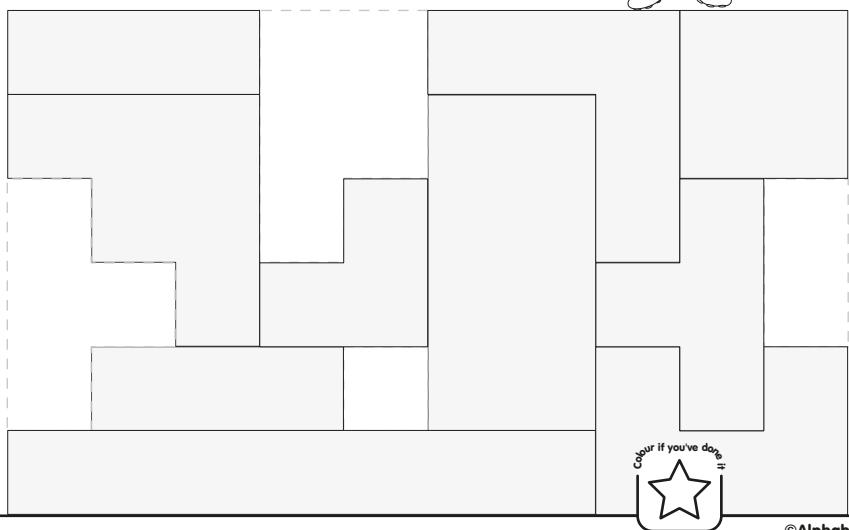

## Fix it!

Help Eight fix the tower!  
Find the right shape for each hole and put it there!
