

Number Explorer Missions

Count 10 fingers and clap.
That's one ten.

Now ask a grown up to hold up their fingers. If you hold up ten fingers, how many grown up fingers do you need to make fourteen altogether?

Close your eyes and point to a Numberblock on page 2 or 3. Can you make that number on your fingers? Do you need a grown up to hold up their fingers again?

Play Together

Tens and Ones. Cut out Numberblock Ten and all the Numberblock Ones and use them to help your little learner answer the questions.

For your next mission, find the episode 'Ten's Place'

4

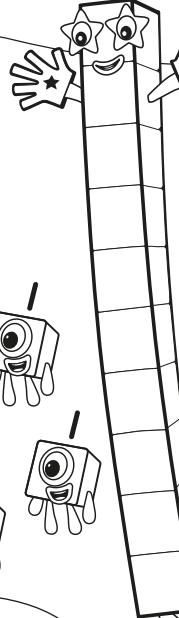

On Your Head

This mission belongs to _____

Can you draw
Fourteen's
Numberling?

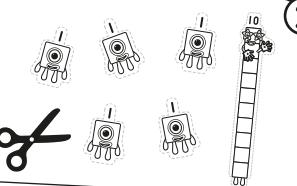

10

Print pages 1 and 2 double-sided and fold in half to make a booklet

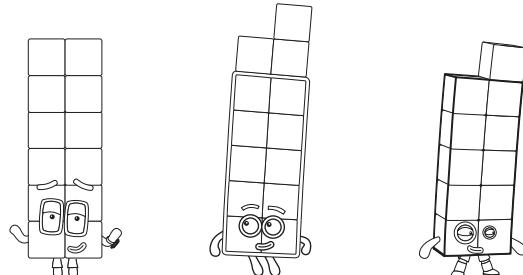

Get Ready!

Find your Numberblock Ten and 5 Ones to cut out, and use them to help you answer the questions.

Numberling Jumble

Match each Numberblock to the right Numberling!

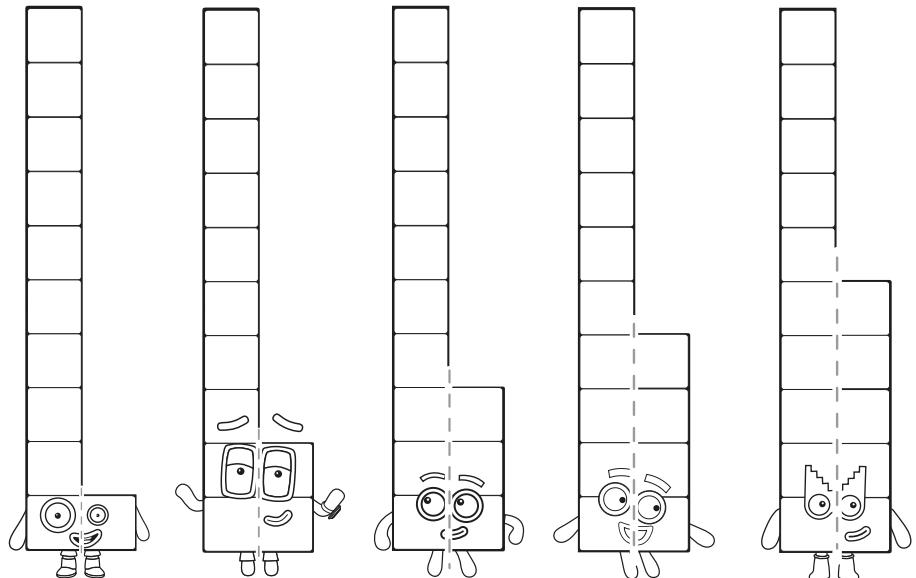

13

12

11

Split Up!

Draw lines to split each Numberblock into Ten and a Friend.

How many tens and how many ones are in each Numberblock? Try using your cut outs to help you count.

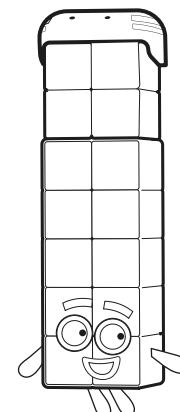

2

Who is it?

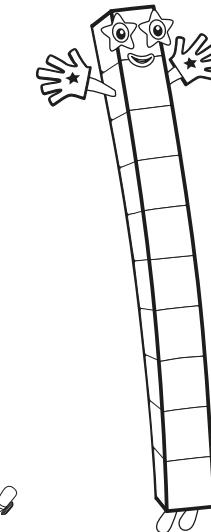

Which Numberblock has 1 ten and 0 one blocks? Shout it out!

14

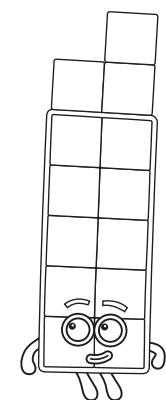

Which Numberblock is the same as Ten and Three? Point to them.

10

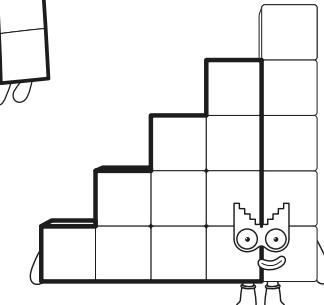

Which Numberblock is the same as 1 Ten and 5 One blocks? Say their name.

13

15

Can you write the Numberblocks' Numberblings? Remember, you need to write '1' for the 1 Ten and then how many One blocks there are

3

Tens and Ones
