

Number Explorer Missions

Give your grown up 4 high-fives
and say, 5, 10, 15, 20!

Can you hop 10 times on each foot.
How many hops altogether?

Look for Twenty's Numberling,
when you see it do a little dance!

Run 10 steps forward, then 10 more
back. How many steps altogether?

Play Together

Tango, tap and twist to twenty! Play your favourite song and try and make up twenty different dance moves. Tango, tap, twist, shuffle, leap, hop, skip, wiggle, boogie... how many can you come up with?

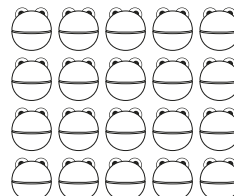

For your next mission, find the episode 'Tall Stories'
