

# Number Explorer Missions

Try drawing One Hundred's Numberling. What makes it different from all the other Numberlings?

Colour it  
if you like

Try to get to 100, counting ten at a time. "10, 20, 30..." What comes next?

Colour it  
if you like

Give a grownup 20 high fives.

Colour it  
if you like

Take 100 steps, counting One for each step.

Colour it  
if you like

## Play Together

One Hundred Grid! Get two different coloured pencils or crayons and a six-sided dice. Take turns rolling the dice and colouring in that number of squares on the grid. See how many squares you can colour with your colour.

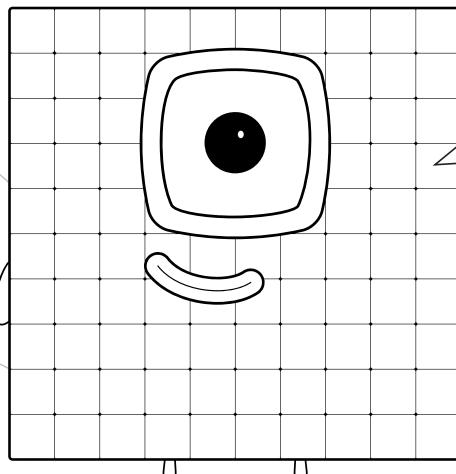

For your next mission, find the episode 'One Thousand and One'

# One Hundred

This mission belongs to

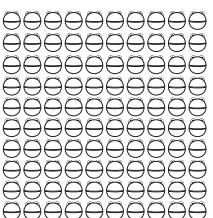

---

100

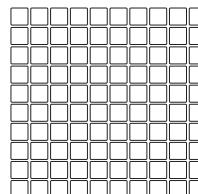

## Fact File

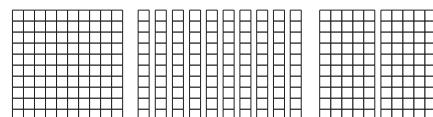

100 is this many:

One Hundred has 100 blocks:

One Hundred is... 100 Ones, 10 Tens, 2 Fifteens

Level 5

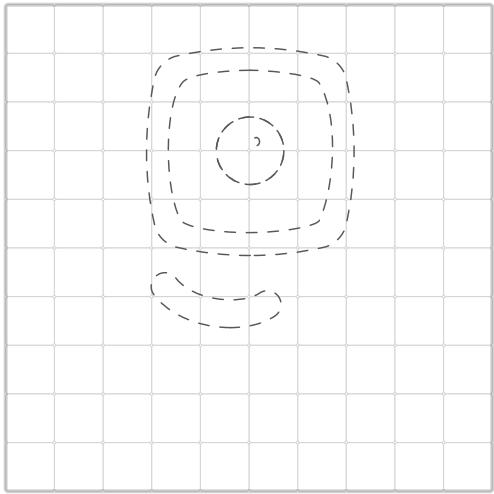

Number 100

One Hundred

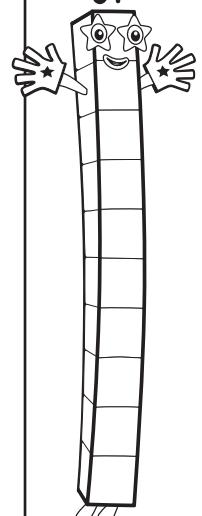

## Count and Draw

2

Can you draw Numberblock One Hundred?  
What do you notice about her blocks? Give her  
a big eye and a big smile!

01

## Split up

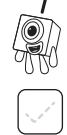

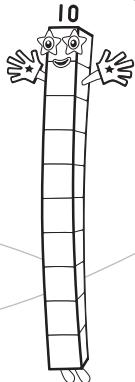

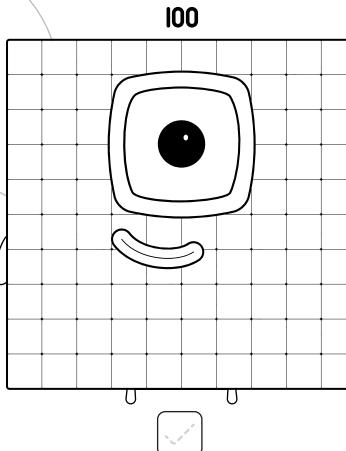

Draw lines to  
split One  
Hundred into  
tall Tens.  
How about  
trying with  
Ones?

## Small, Bigger, Biggest

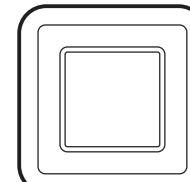

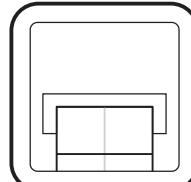

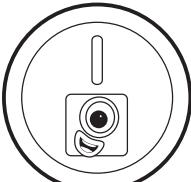

3

Which Numberblock is smallest? Say their name!  
Which Numberblock comes next? Circle them!  
Which Numberblock is the biggest? Tick them!

## Number clubs

Take a look at One Hundred. Are they an odd block, or an even top? What other clubs do you think One Hundred could join?
