Number Explorer Missions

Use a shoe box to make your own theatre! Stick the Numberblocks from your extra sheet to lollysticks, and you're ready to put on a show!

Colour if you've done it

Try counting in fives to see all the friends that make up the Five Times Table. You could use your hands or the Numberblocks cut outs on the extra sheet to help you. Remember, they they always end on 5 or 0. 5, 10, 15, 20, 25, 30, 35, 40, 45 and 50.

Colour if you've done it

It's showtime! Put on your own talent show! Invite your grown-up to watch. What's your special skill? Can you jump on one leg or hula hoop? Or maybe you can count backwards from 20.

Colour if you've done it

Have some quiet drawing time, and doodle the All-star Line-up. Use the gridded paper on your extra sheet and use the lines to guide you.

Colour if you've done it

For your next mission, find the episode 'Rescue Racers'

Print pages 1 and 2 double-sided and fold in half to make a booklet

All-star Line-up

This starry adventure belongs to...

Five is hosting a talent show for the Numberblobs! Colour her in!
