

Number Explorer Missions

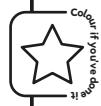

Scan the QR code to play your favourite Numberblock songs and pretend you're a DJ with the Six Times Table mixing decks from your extra sheet.

Colour in if you dare!

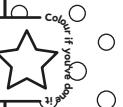

Grab a dice and take it in turns to roll it with your grown-up. Can you multiply the number you land on with 6? Shout the answer! Who can work out more answers? Use the line up in your booklet to help if you get stuck.

Print pages 1 and 2 double-sided and fold in half to make a booklet

Try this rhyme to help you remember that $6 \times 6 = 36$.
**Six and Six had a bag of tricks;
inside the bag was Thirty-six.**

Make mixing decks
to help with the Six
Times Table!

- 1 Colour and snip out everything.
- 2 Place the discs onto the deck.
- 3 Turn the discs to show which Numberblock you get when multiplying 1 to 10 with Six.

Look inside the booklet
if you need help.
