

Number Explorer Missions

Write a list of nature objects on a note pad, like yellow flowers, big leaves and spiky pine cones. How many can you find of each thing?

Draw shapes on some pieces of paper, and write colours on different pieces of paper. Pop the shapes and colours in two separate hats. Pick one of each and create the drawing.

Have fun tidying your room. Can you group your toys by colour, type or size?

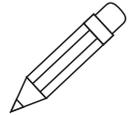

Play Together

Gather a bunch of toys in different sizes, colours and types. Take it in turns who plays the customer and who plays the librarian. The customer asks the librarian for all the toys of one colour, type or shape, and the librarian has to gather them all.

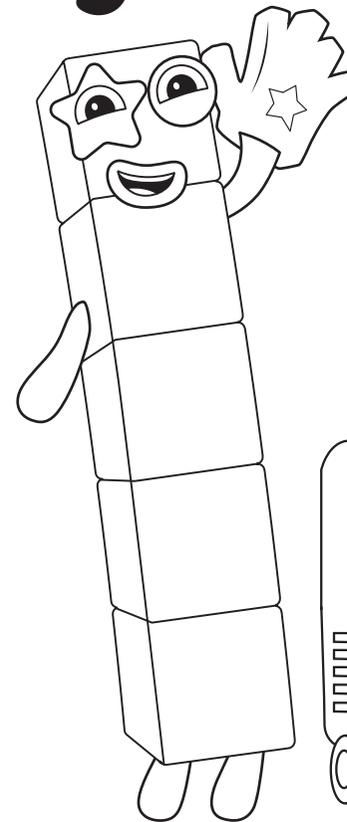

For your next mission, find the episode 'Back in the Box'

Five's Super Sorter

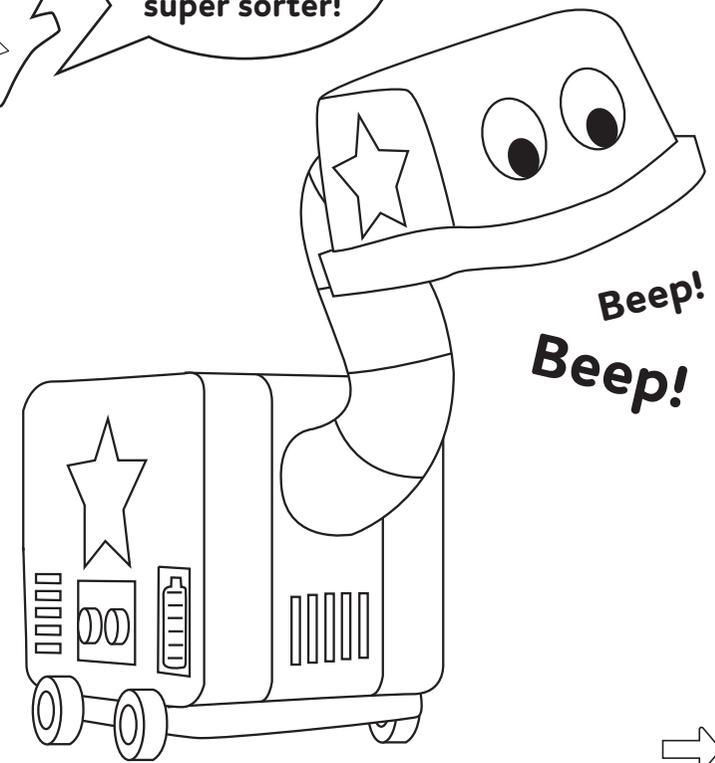

This mission belongs to _____

5

Say hello to Sorty the super sorter!
