

# Alphablocks Explorer

Practise reading all the Word Magic inside your booklet. Say each sound, then blend them together to make a word.

Take Ned from your extra sheet on an adventure. Can you find words with an 'e' sound in the middle? Say 'e!' for every thing you spot!

Can you remember each of the different places Ned tried to rest? Why were they not quite right? What made the pond perfect for Ned?

Can you think of more 3 letter words with 'e' in the middle? How about jet, net and pet? What else?

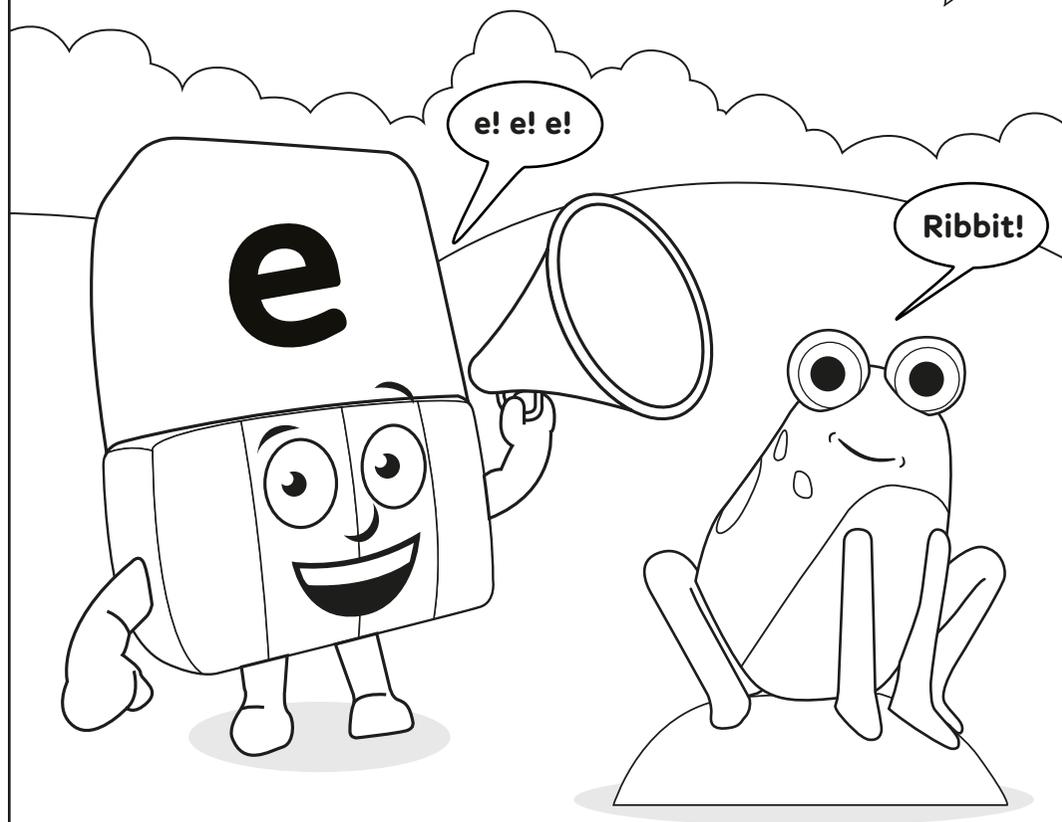

## Well done!

Ned

Can you find your extra sheet and snip out all the bits you need?

# Home sweet home

It's time to explore Alphaland and see if some other Alphablock friends can help.

Oh look, it's Alphablocks **B** and **D**. Perhaps they know a place for Ned to rest his head?

Can you say each letter sound, then blend them together?

Poof! Glue what the Alphablocks have made here.

Oh no, a comfy bed won't do. Ned just wants to bounce for you!

Perhaps a place that's nice and warm, and keeps you dry in any storm.

A den is nice, but not quite right. The fox in there gave Ned a fright!

Poof! Glue what the Alphablocks have made!

What about where chickens stay? Somewhere safe both night and day.

The hen says Ned can't stay here. Where will he go? Oh dear, oh dear!

Glue a hen here!

Alphablocks **V** and **T** know who can help this pet. That's right, it's your favourite...

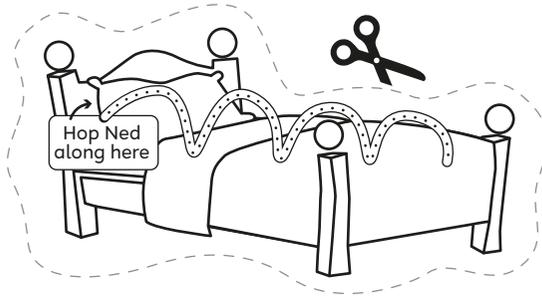

Glue the Word Magic here!

It's good to ask your local vet. Frogs like Ned need somewhere...

# Ned's home

Colour in all these things. Snip or tear them out and stick inside a box to make a cosy place for Ned.

Glue Ned to some card before snipping him out to make him extra sturdy!
