Can you draw something that begins with **e**? How about a big **elephant** or an **egg**?

Cup both your hands around your mouth and make a big **echo**, saying **e-e-e!**

E talks into his loudhailer all the time. Can you find some things to talk into like **E**? What does your voice sound like when you talk into them?

Next time you are out, look out for things that have an **e** sound. How many can you spot? Here are a few ideas: **pet**, **pen**, **legs**, **fence**.

Can you say **e** in lots of different voices? Try shouting it like a huge giant or squeaking it like a tiny mouse.

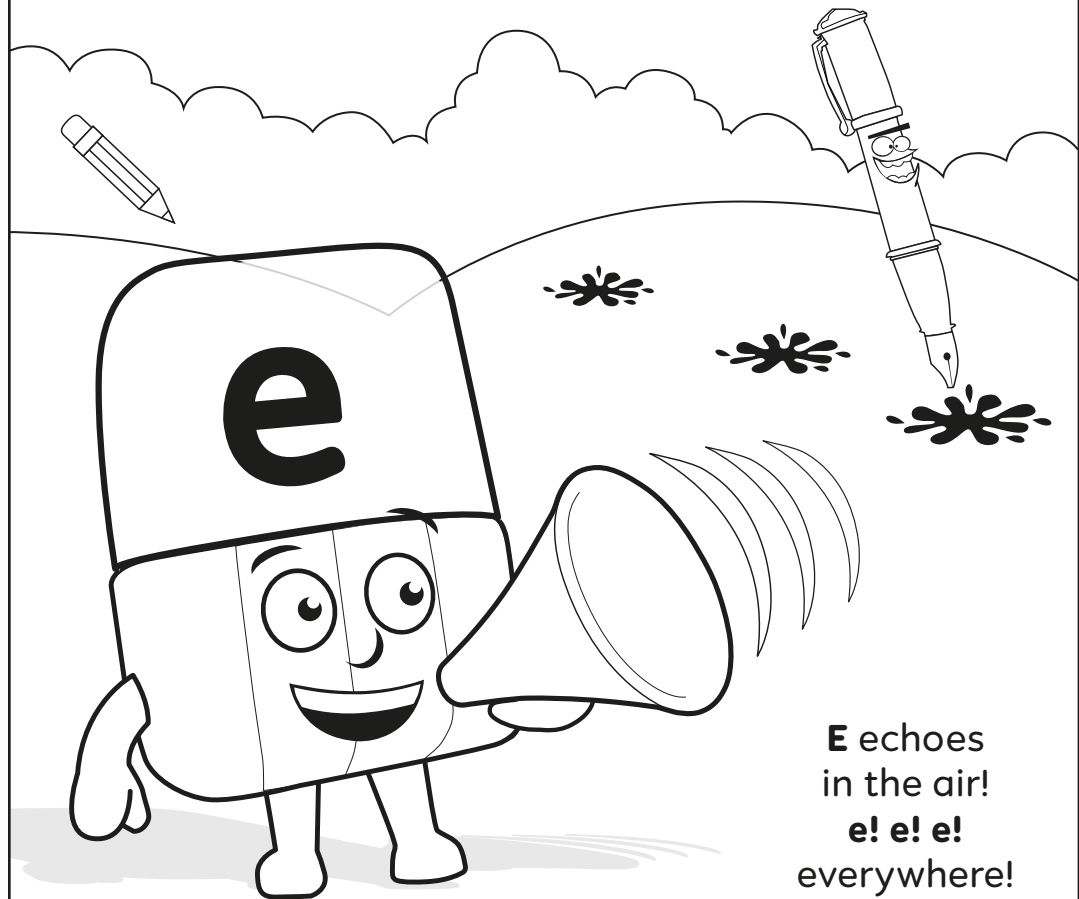

Well done!
