

# Alphablocks Explorer

Jump up and down and pretend to fly like a jolly jaybird, saying **j! j! j!**

Colour if you're 7+ years old

Look on signs and labels when you are out or at the shops. Can you find **v** and **j**?

Colour if you're 7+ years old

Pretend to hold a steering wheel and vroom around **very** fast: **v! v! v!**

Look around when you are out with a grown-up. Can you find any vans? Look up! Can you see any jets? Ask your grown-up to help you look.

Colour if you're 7+ years old

With a grown-up, look for videos of really fast cars. Listen to the sounds they make. Is there an Alphablock who makes that sound?
