

Alphablocks Explorer

Look outside or in your home. Can you find any of these?
Something **b-i-g** and something you can use to **d-i-g**.

Try copying **G**. Pretend to **glug** down some water with a **g-g-g!**

Look inside a comic or picture book. Can you find any words with **g** in them?

Look as important as you can and sing **i-i-i!**

Try to say this tongue-twister:
My pigs love big wigs.
My big wig pigs love to dig!

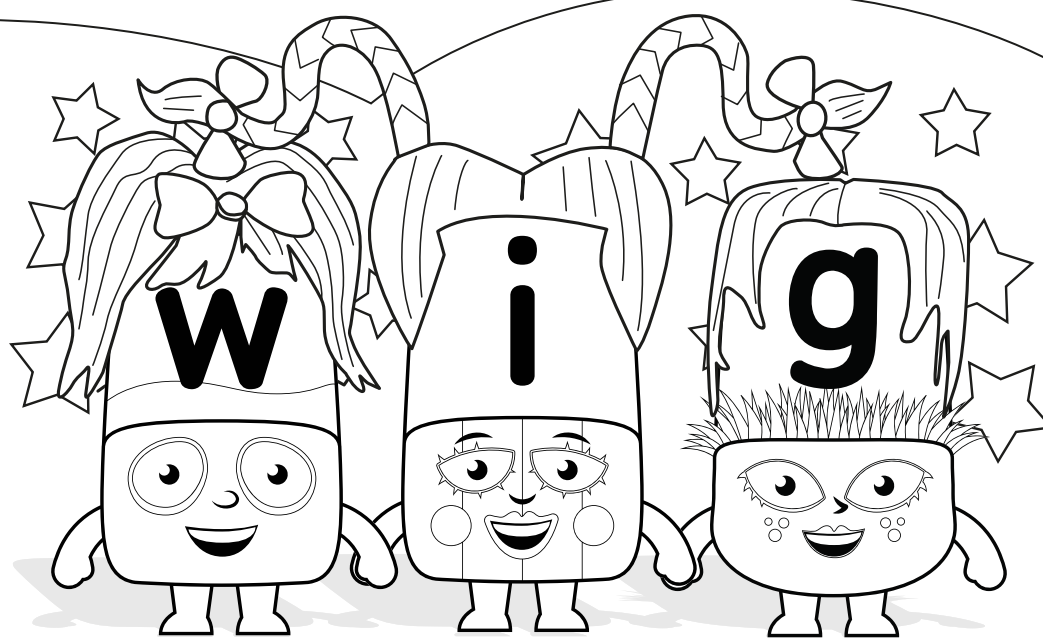

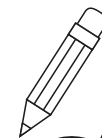

Well done!

For your next mission, find the episode 'Rainbow'

Big wigs

Who can you see?

Can you colour in their wigs?

Wig

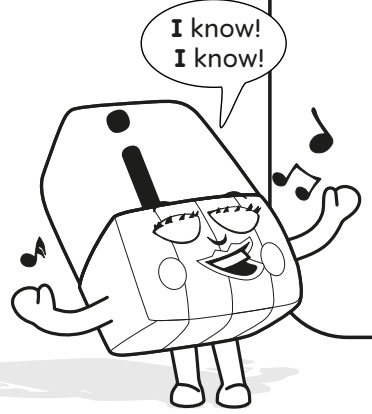

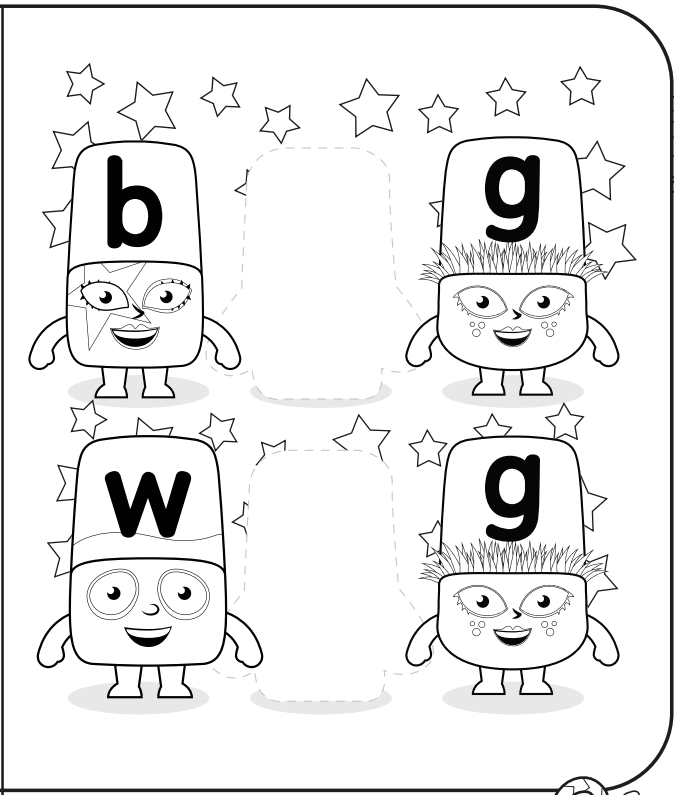

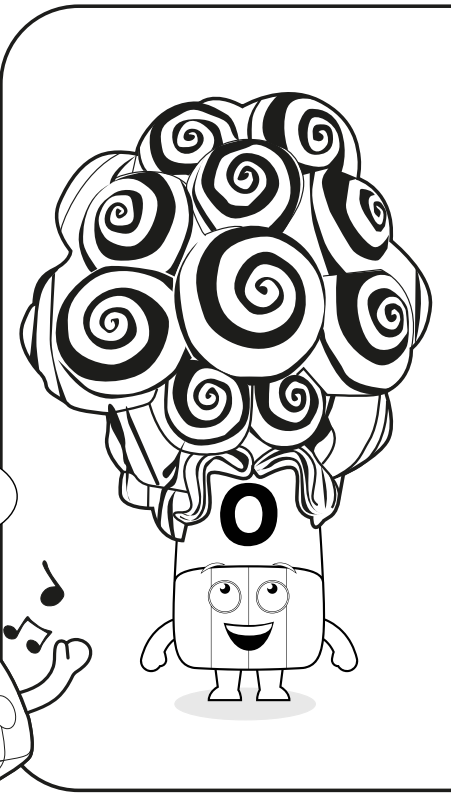

Word Magic!

Cut out your Alphablocks from the extra sheet and use them to finish the Word Magic!
Read the words, then colour in the pictures.

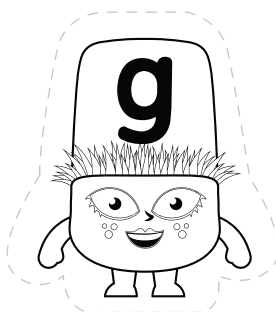

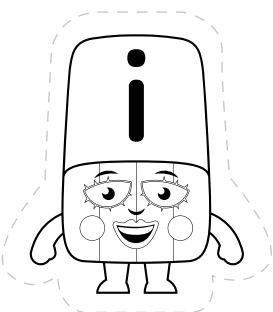

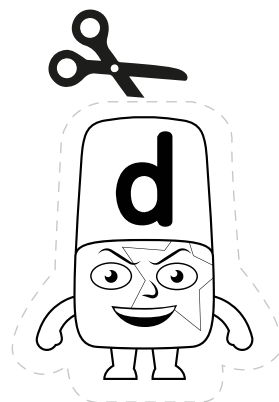

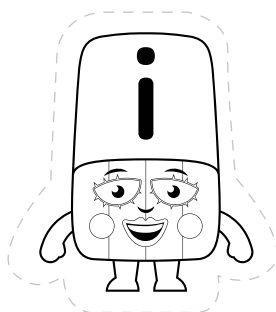

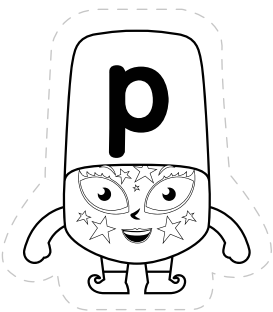

Find!
Can you find all the wigs on the page? Some of them are hiding...

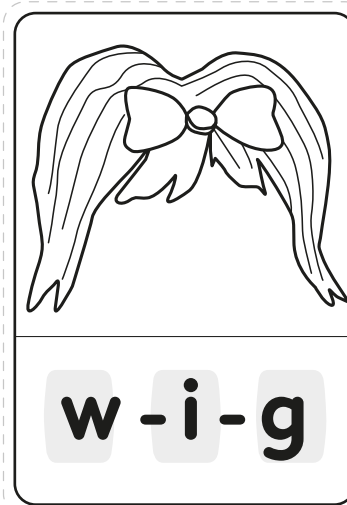

Play Together

Cut out the Alphablocks so your little learner can use them to do the activities on the main sheet.
You could also challenge your little learner to try making new words, using the extra Alphablocks.

Keep this card to add to your word collection.
