

Number Explorer Missions

Go on a nature walk. Collect 2 things, like fallen leaves, pebbles, sticks, blades of grass and so on. Can you count them up in 2s?

Ask your grown-up to help cut 2 shapes into a potato or a sponge to make a stamp. Dip the stamp into paint, and print a picture in 2s.

What do you think a world where Three was the first ever Numberblock there was? Just imagine!

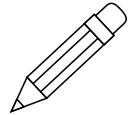

Play Together

Alternate counting up to 20 in 2s. Now try counting down from 20 in 2s. Now try a speed run! Who can count up to 20 in 2s the fastest? Who can count down the fastest?

For your next mission, find the episode 'The Two Times Shoe Shop'.

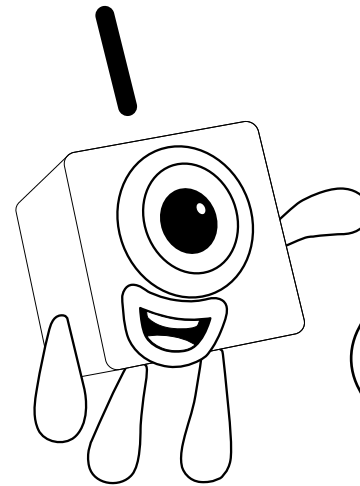

Just imagine...

This mission belongs to _____

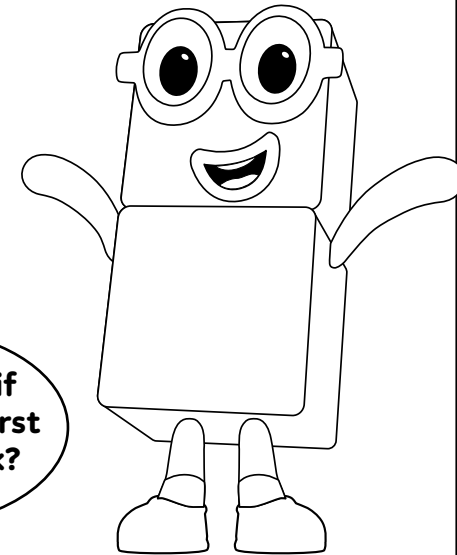

Sometimes I wonder, what if I'd been the first Numberblock?

2

Hmm. What if Two was the first Numberblock?

Level 3

Counting and subitising

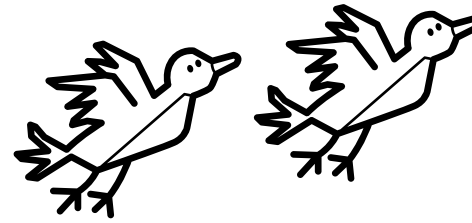

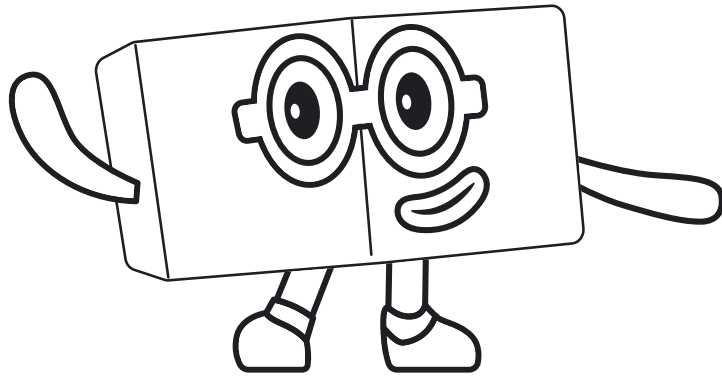

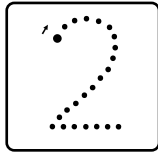

Twoland

Twoland

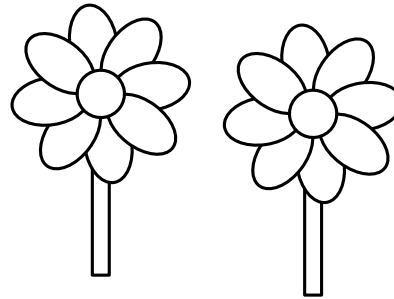

Have fun imagining a land where Two is the first ever Numberblock there was.

This is Two!
Write his Numberling.

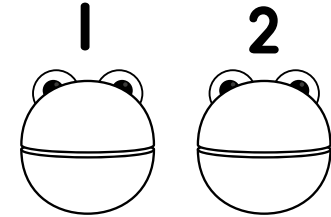

How many birds?

Colour and count 2 flowers!

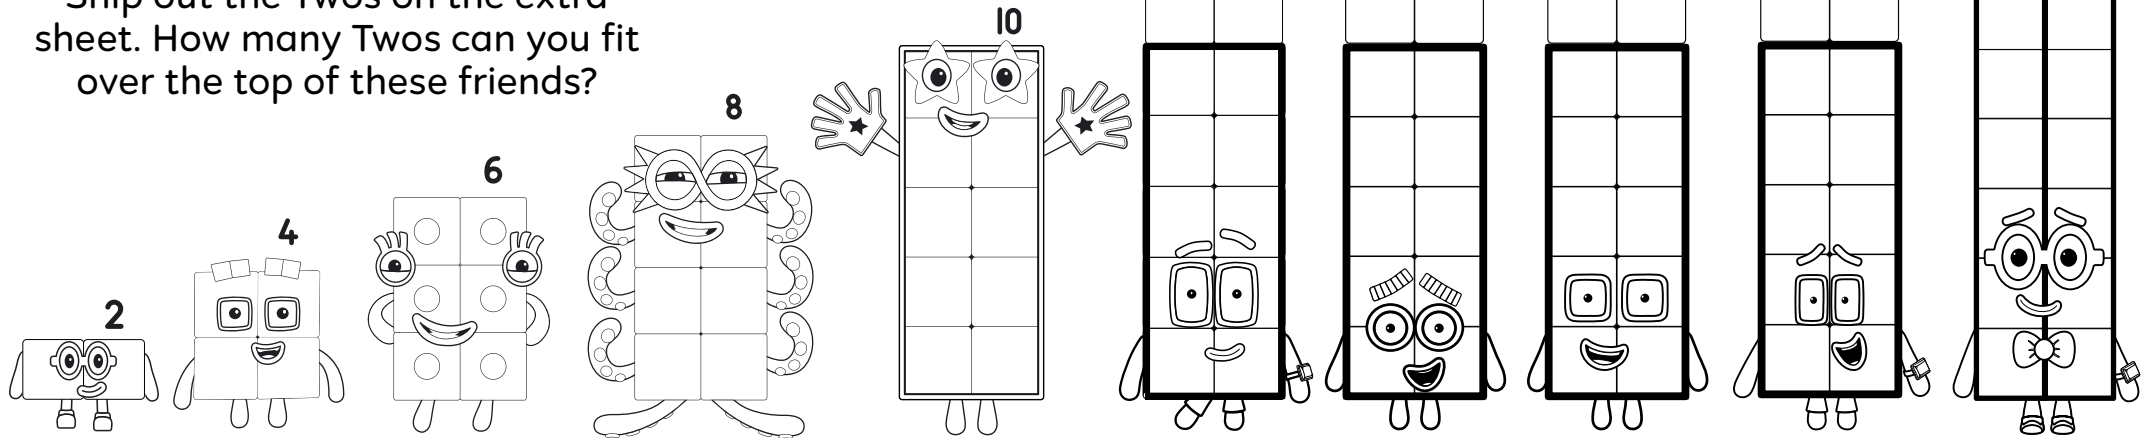

Touch and count the Numberblobs.

Just add Two!

Snip out the Twos on the extra sheet. How many Twos can you fit over the top of these friends?

Snip-outs
