

Alphablocks Explorer

Make your fingers into an O, look through it and pretend to see something odd, saying o! o! o!

Colour if you're done!

Pretend to press a switch and say: On! On! On!

Colour if you're done!

Look in a book. How many words with 'o' in them can you find? Can you spot any words with 'ow' in them?

Colour if you're done!

Ask your grown-up to say a word that rhymes with 'glow'. Can you think of one too?

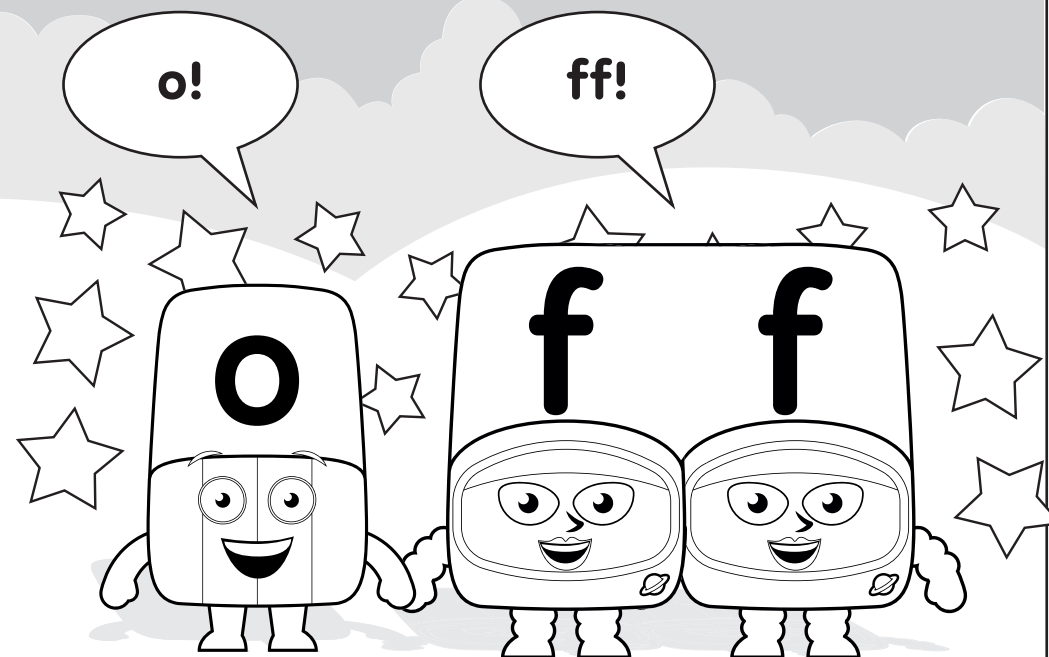

Colour if you're done!

Well done!

For your next mission, find the episode 'Sing'

Glow

Alphablock O has turned the light off!

Colour the Alphablocks and say their sounds. →

Level 3

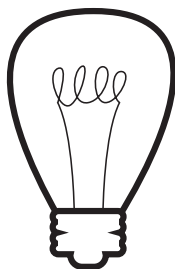

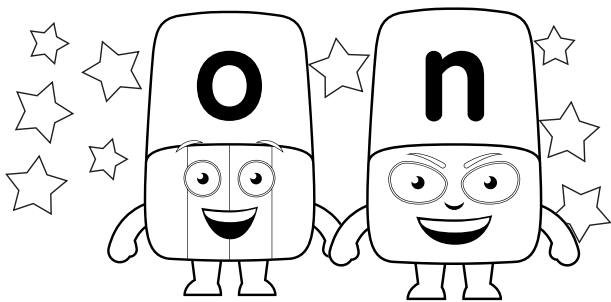

Long OW sound

Glow

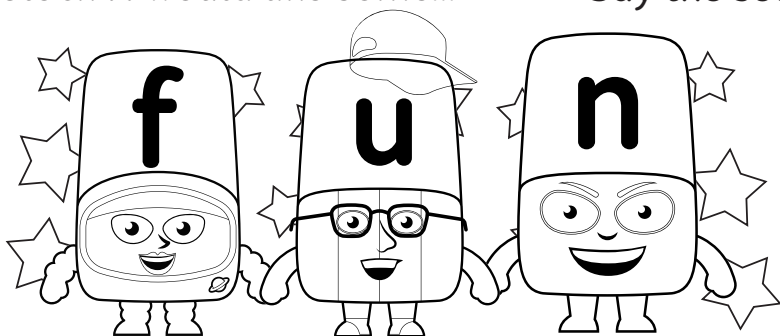

What word are O and N making? Say the sounds and read the word!

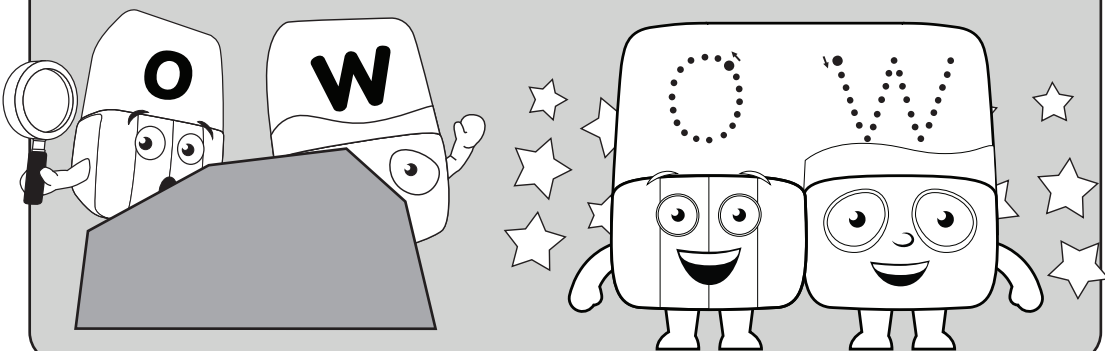

Colour the light bulb to turn it on!

Alphablock N would like some...

Say the sounds!

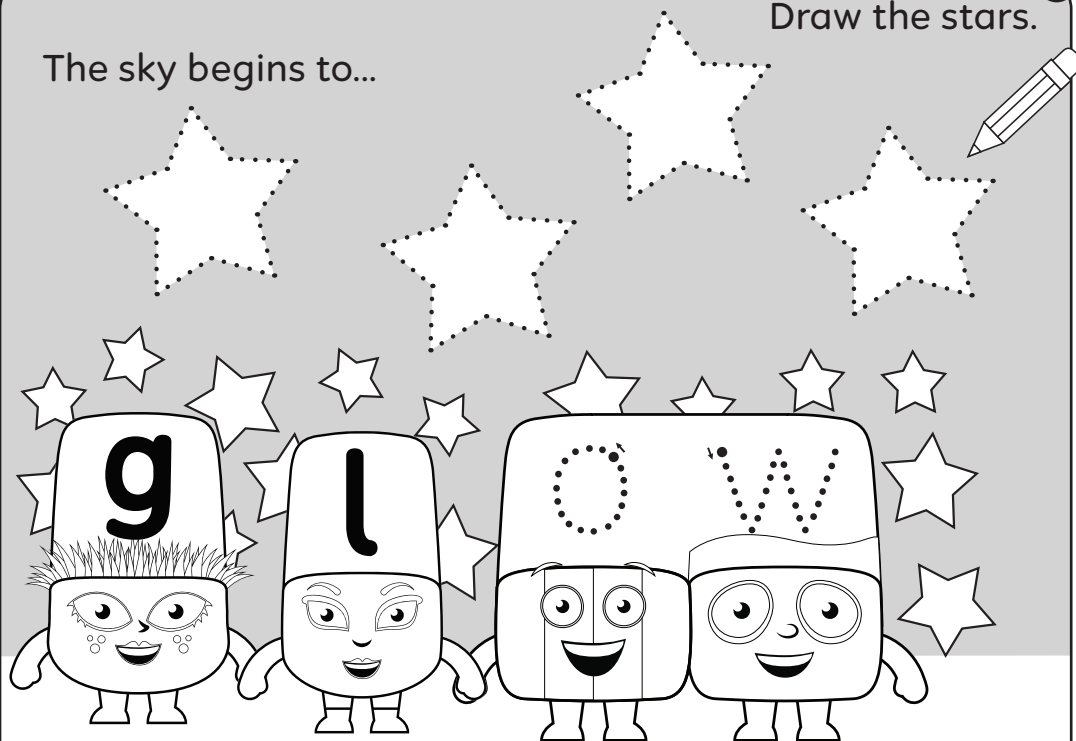

But the light has gone off again. It's too dark to see!

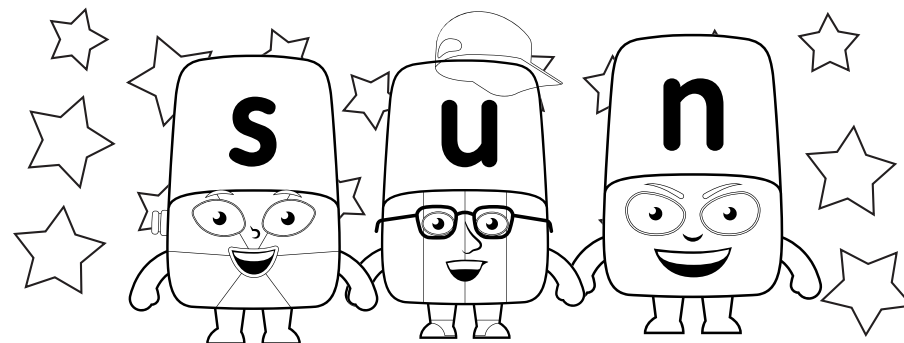

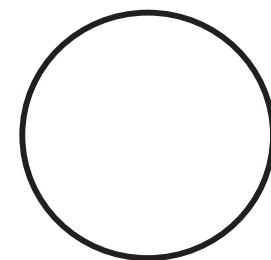

The sky begins to...

Draw the stars.

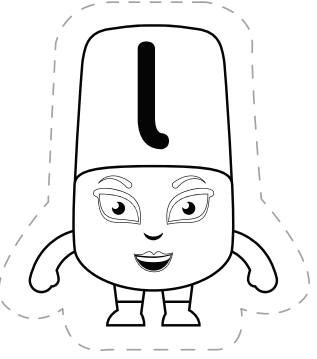

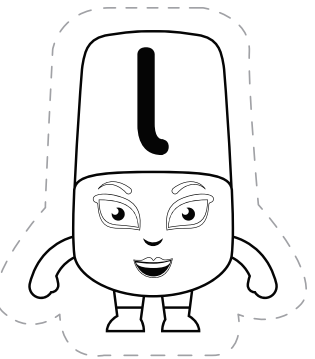

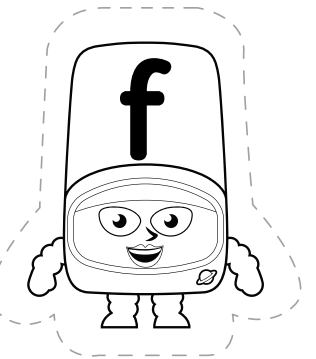

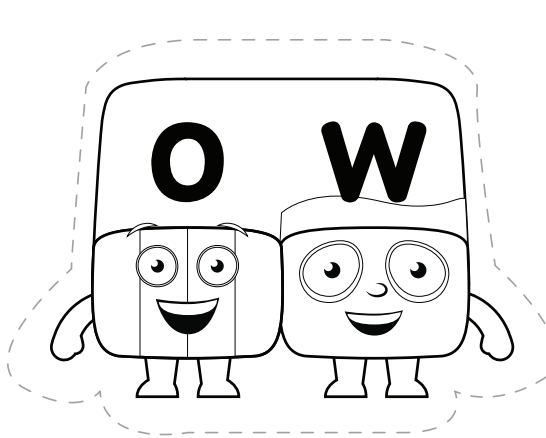

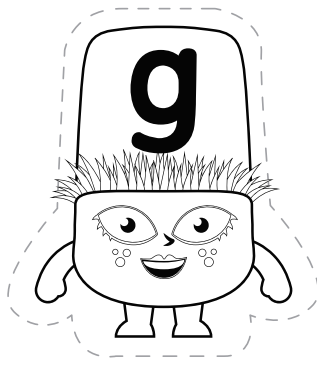

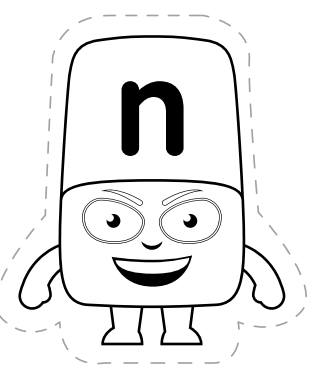

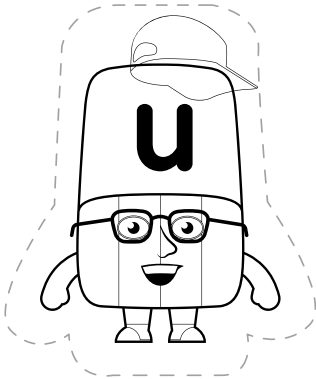

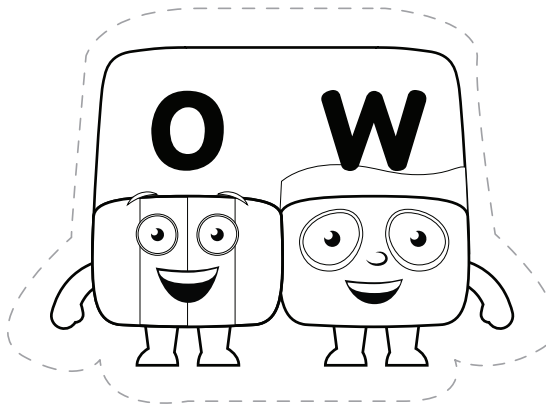

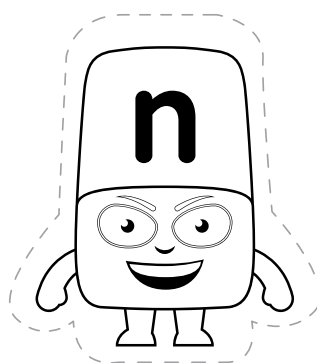

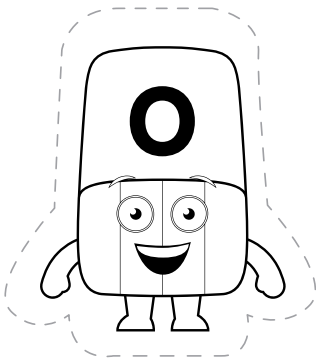

Colour a bright sun!

Now Alphablock W wishes for fun. S can help!

Snip-outs

Colour and cut out these bits, then tell your grown up the story in your booklet and make the words!

Glowy!
