Can you spot Alphablocks B, A, N and D around your home? Have a look at books and food packaging!

Alphablocks B and D are sister and brother! Ask your grown-up to say their sounds. Can you hear the difference?

Can you make a song using the BAND's sounds?
b-b-b, a-a-a, nnn, d-d-d!

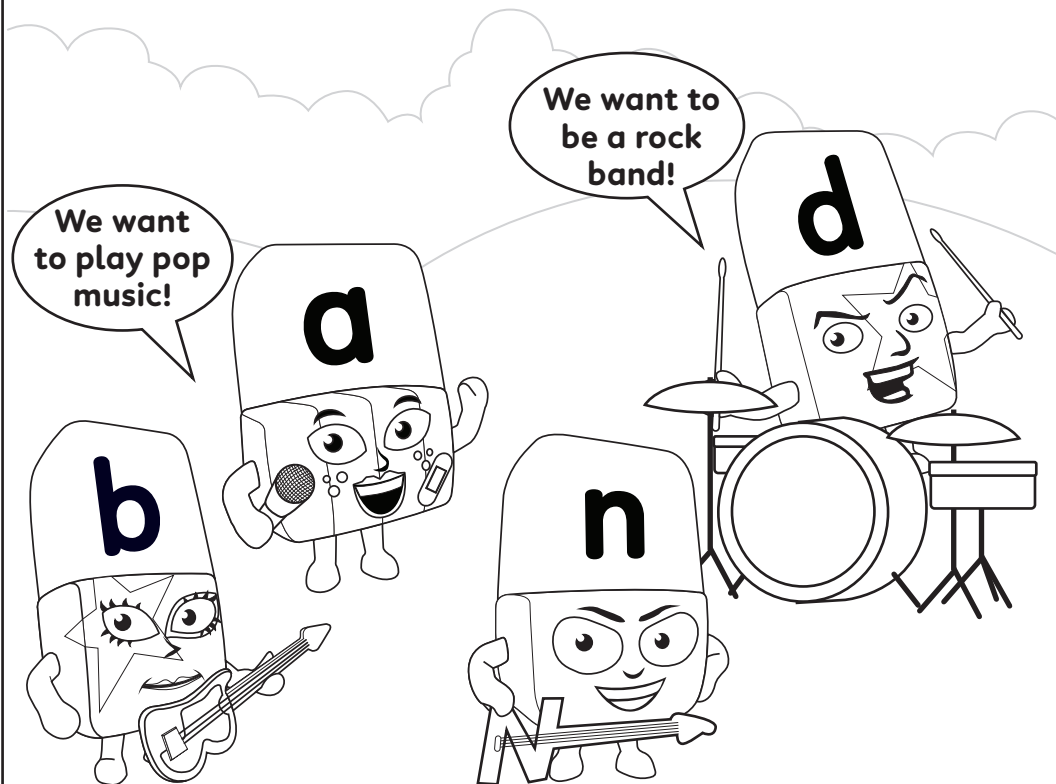

Well done!

For your next mission, find the episode 'Party'
