Look in a book.
Can you find any words with **u** in them?

Take turns with your grown-up to think of a word that rhymes with **bug**. See who can think of the most!

Practise the sound **g**. Can you make up an action for this sound? You could pretend to **g-g-grow** or **g-g-gulp** some water.

Use letter cards or magnets to make the word **bug**. Now swap the **u** for different vowels (**a**, **e**, **i** and **o**). How many different words can you make?

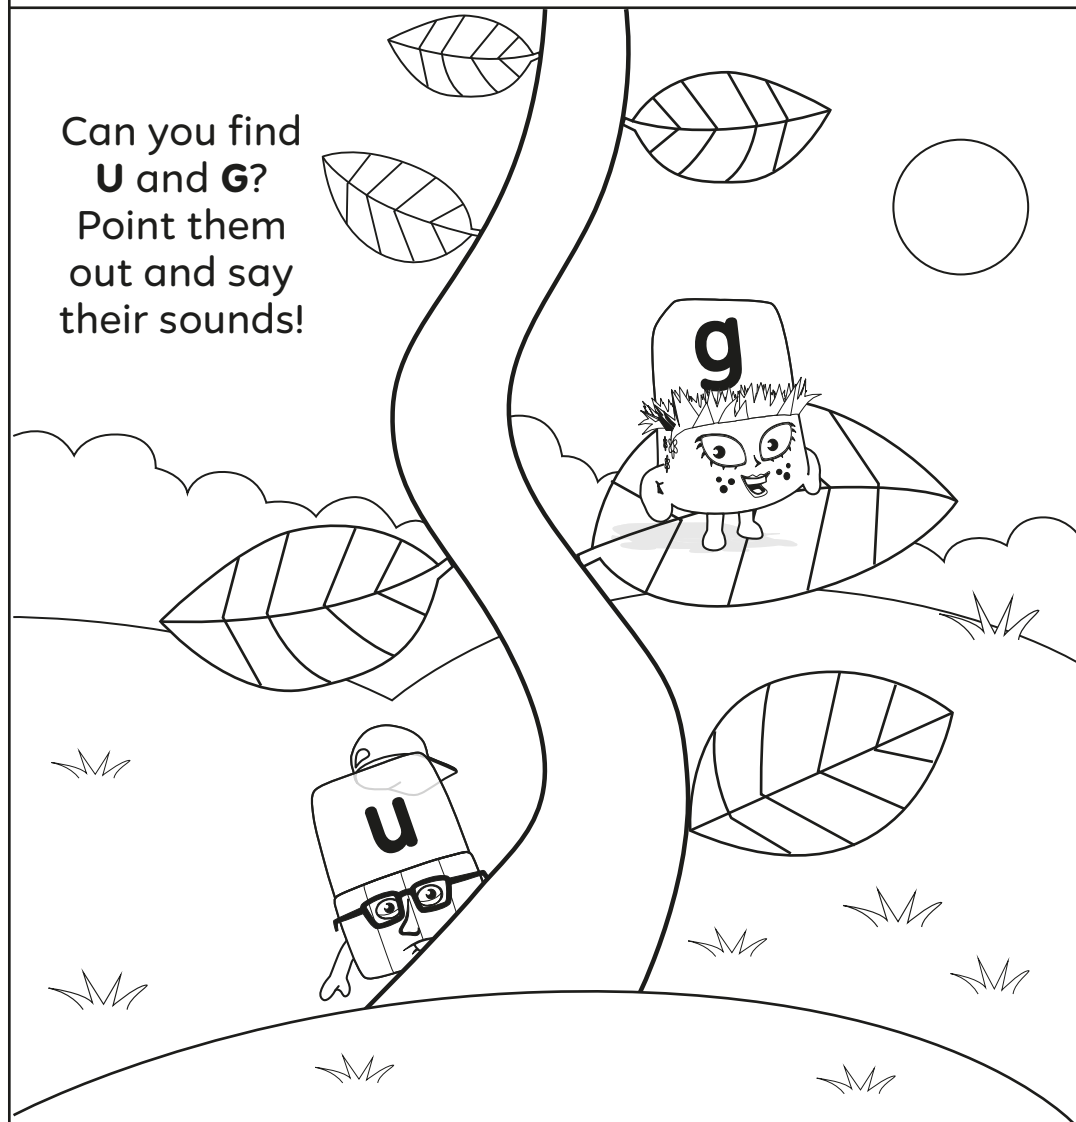

Well done!
