

Alphablocks Explorer

Practise writing the different ways to spell the long ee sound: ee, ea, and with Magic E, e-e.

Colour if you've done it.

Ask your grown-up to write down words with all the different ee sounds: sleep, sheep, dream, team, athlete, compete. Practise reading them!

Colour if you've done it.

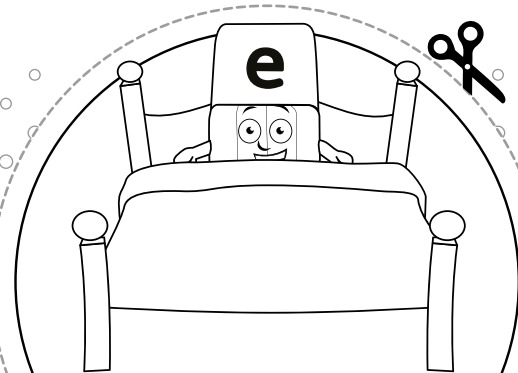

Practise saying all the ways to make the long ee sound!

Colour if you've done it.

Sweet!

You've earned your sleep badge.

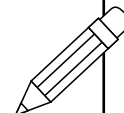

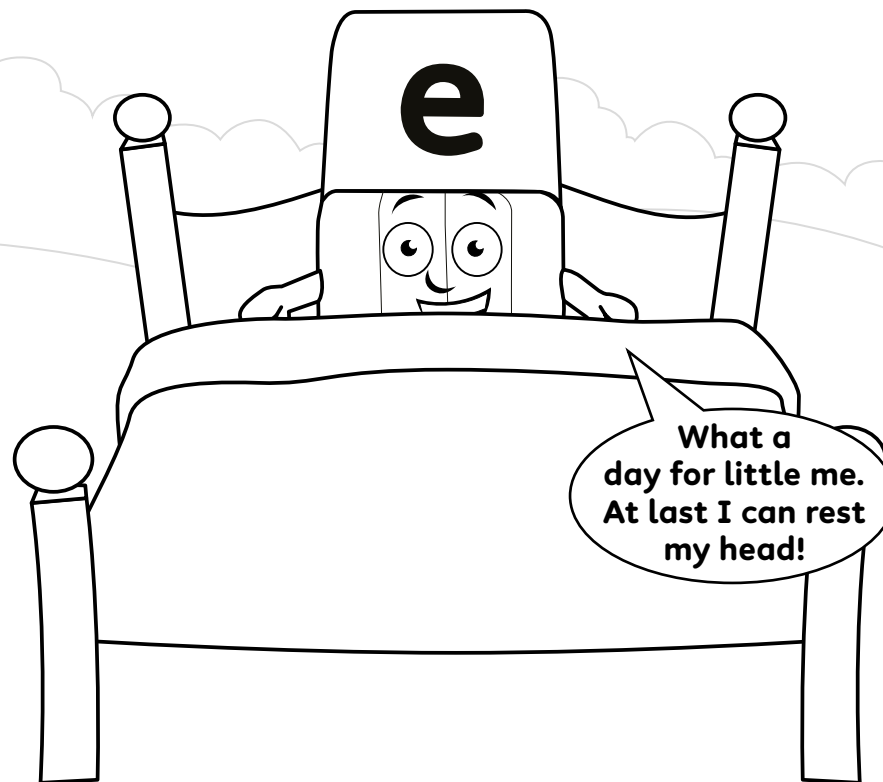

Well done!

For your next mission, find the episode 'Mine'

Sleep

Tired E wants to rest. Can you colour him in, ready to go to sleep?

Level 5

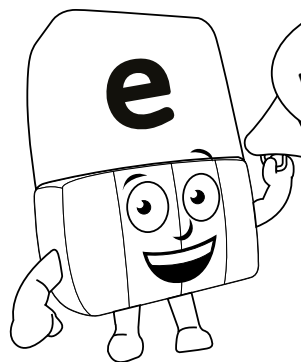

Long E: ee, ea, e_e

Sleep

ee, ea or e-e?

EE, EA and **Magic E** are here to help **E**. Snip out the Word Magic cards on your extra activity sheet, then sound them out and stick them in the right groups below.

My friends
will help me get
to sleep!

ee

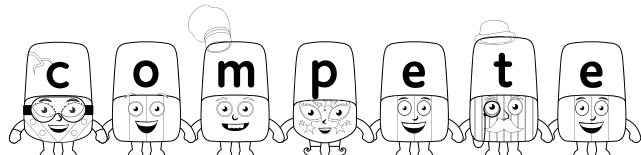

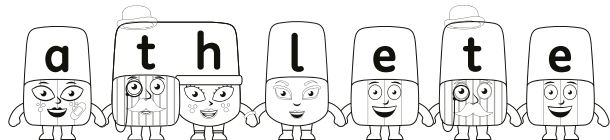

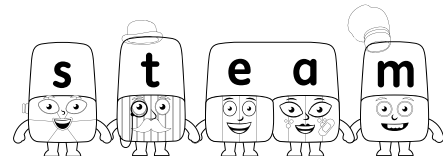

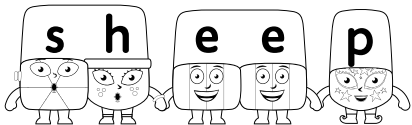

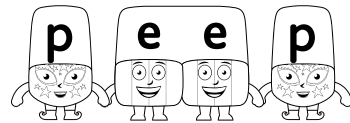

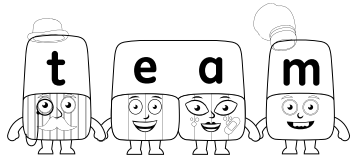

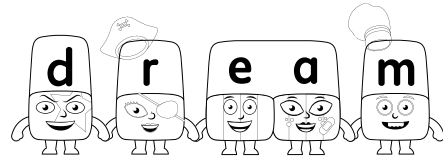

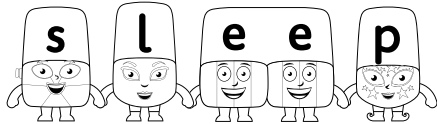

ea

e-e

Snip-outs

Cut out these Word Magic cards, then use them inside your booklet!

To say each word, sound out the letters and blend them together.

Sing-along!

Help **E** sing his bedtime song.

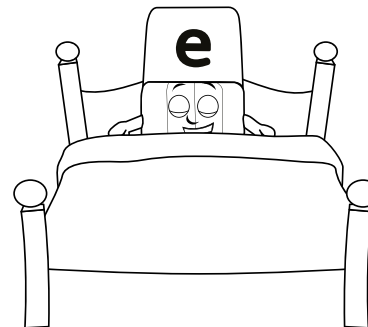

It's been a long day,
we need to go to s-l-ee-p: sleep.

We don't want to play,
we're busy counting sh-ee-p: sheep.
It's no use, I think we might need Bo P-ee-p: Peep!

When I'm with A,
we make a world-class t-ea-m: team!
Been busy today,
we're running out of s-t-ea-m: steam!
All we want is to go off to sleep and d-r-ea-m: dream.

But when Magic E does his magic on me,
I can turn into an a-th-l-e-t-e: athlete!
Without a doubt, we can wear you out,
when we make you all c-o-m-p-e-t-e: compete!

Now you're on the dream team,
so let off some steam, team!
We won't make a peep,
and soon we'll be fast asleep.
