

Alphablocks Explorer

Practise writing the different ways to spell the long igh sound: igh, ie, and with Magic E, i-e.

Ask your grown-up to write down words with all the different I sounds: night, light, pie, tie, shine, fine. Practise reading them!

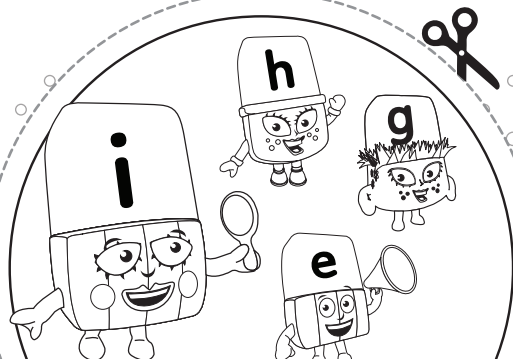

Look in a picture book or magazine. How many words with the long /igh/ sound can you find? Do they all spell the /igh/ sound

Nice!

You've earned your **Mine** badge. Easy as pie!

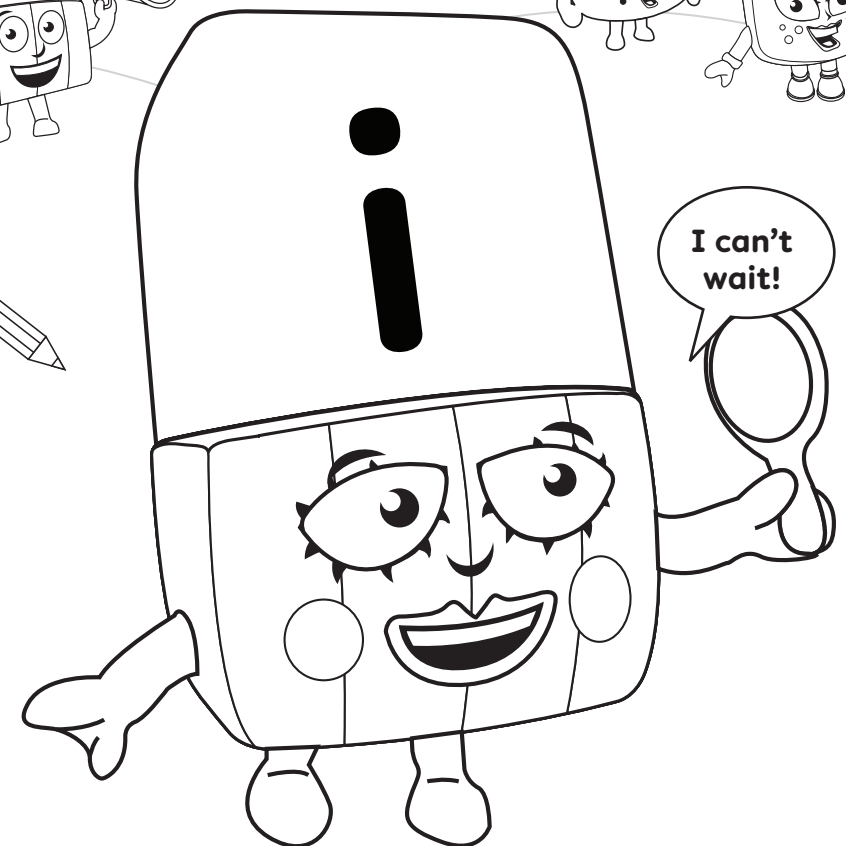

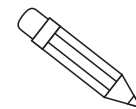

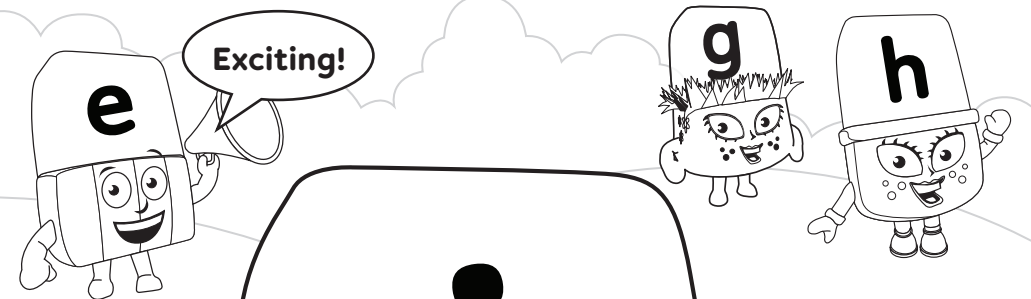

Well done!

For your next mission, find the episode 'Home'

Mine

I has invited **G**, **H** and **E** to her party. Yippee! Colour them all in.

Level 5

Long I: igh, ie, i_e

Mine

igh, ie or i-e?

IGH, **IE** and **Magic E** are here to help **I** party! Trace the word cards on your extra activity sheet, then stick them in the right groups below. All the words make a long **igh** sound, as in 'night'.

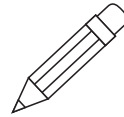

igh

ie

i-e

Snip-outs

Trace the words on the cards below, then use them inside your booklet!

bright

lie

pie

shine

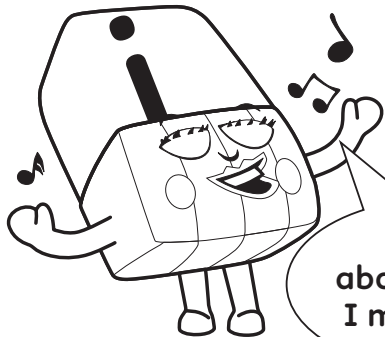

night

tie

like

fine

light

It's all
about me-e-e!
I mean, I-I-I!

Sing-along!

Help I sing about her friends.

We're I-G-H, and everything's
looking b-r-igh-t: bright!

With I-G-H, you're gonna
see the l-igh-t: light!

Stay right here cos tonight
is a party n-igh-t: night!

When I'm with E,
it's as easy as making a p-ie: pie!

I go with E like a clown
with a trick bow t-ie: tie!

Cross my heart,
we'd never tell a l-ie: lie!

And when Magic E
does his magic on me,
then it's time for me to sh-in-e: shine!

Staying alive, I will survive,
and together we'll be f-i-n-e: fine!
