

Alphablocks Explorer

Play a game with your grown-up. One person says something like 'in the name of the law, sit!'. The other player has to sit down. If you don't say 'in the name of the law' first, the other player should not sit. If the player follows the wrong instruction, switch!

Outlaw

In the name of the law

Alphablock I has made some new laws!
Can you find out what they are?

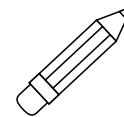

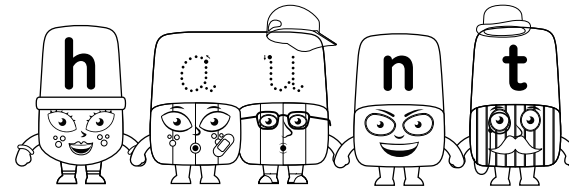

Finish the words and
stick on the signs.

No stepping on the...

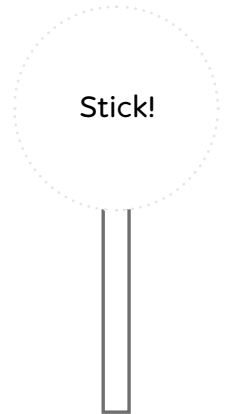

A and U have had
enough, they are
making up some
laws too!

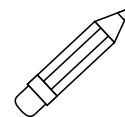

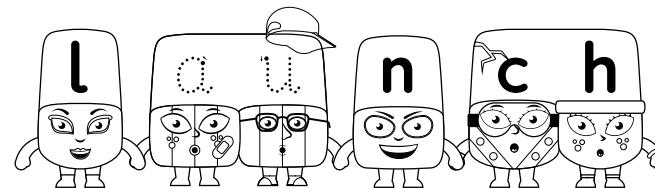

No ghosts!

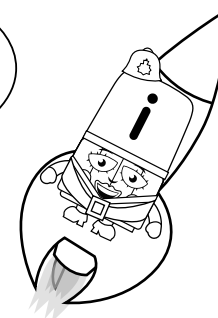

Stick!

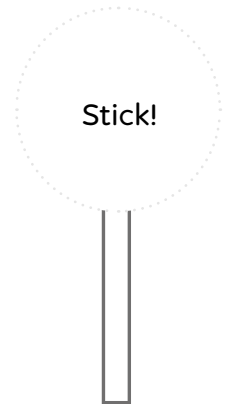

No astronauts!

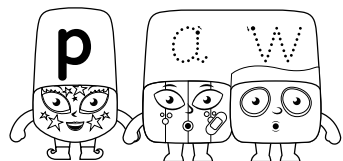

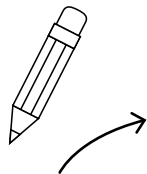

I arrest myself
in the name of
the law!

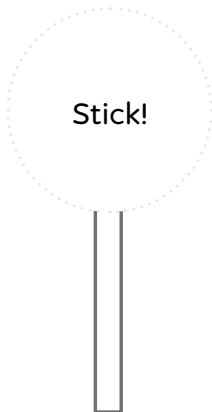

Stick!

No cats!

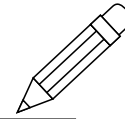

Stick!
