

# Alphablocks Explorer

Write a list of words, whichever ones you like, then go back and count the number of letters each word has. Which one is the shortest word? Which is the longest?

Colour if you've done it.

Look around your home. Can you find objects that end with **-nk**, **-nt** or **-mp**? Here are some ideas: **lamp**, **sink**, **plant**.

Colour if you've done it.

Can you think of 4- or 5-letter words that rhyme with 'prank'? Ask your grown-up to help you.

Colour if you've done it.
