**Independent Auditor's Review Report on Standalone Unaudited Quarterly & Year to Date Financial Results of Filatex India Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

**Review Report to  
The Board of Directors,

1. We have reviewed the accompanying statement of standalone unaudited financial results of **Filatex India Limited** ('the Company') for the quarter ended December 31, 2025 and year to date results for the period from 1<sup>st</sup> April 2025 to 31<sup>st</sup> December 2025 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 ('the Regulation') as amended (the "Listing Regulations").
2. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34" Interim Financial Reporting" (Ind AS 34") prescribed under section 133 of the Companies Act, 2013, as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. The Standalone Financial statements of the Company for the previous year ended March 31, 2025 were audited by the joint auditors one of which are predecessor audit firm and have expressed unmodified opinion on such financial statements vide their report dated April 23, 2025. The Unaudited Standalone Financial results of the Company as per Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 as amended, for the quarter and nine months ended December 31, 2024, were reviewed by the joint auditors, one of whom were predecessor audit firm and have expressed their unmodified conclusions on such results vide report dated January 29, 2025.

##### **2. MoU with Decathlon India**

**Key Industry & Regulatory Updates:**

- **MEG anti-dumping duties** were not imposed, supporting stable raw material pricing.
- Relaxation of QCO norms has led to higher imports, partially impacting margins.
- EPR and circularity norms continue to drive demand for recycled and traceable polyester products.
- The Union Budget 2026-27 strengthens policy support for man-made fibres and technical textiles through initiatives such as the National Fibre Scheme, Text-ECON, Mega Textile Parks and SAMARTH 2.0.
- The proposed India-EU FTA is expected to reduce/eliminate tariffs on textile and apparel exports, improving competitiveness in the European market.
- US import duties on Indian textile and apparel exports likely to be reduced to 18% from around to 25%, supporting export volumes and market access.

Commenting on the results, **Mr. Madhu Sudhan Bhageria, Chairman & Managing Director**, said:

*"I am pleased to share that the Company delivered a strong performance during the quarter, with stable revenue, supported by constant volumes, improving margins, disciplined execution, and our continued shift towards higher-value products. This reflects the strength of our operating model and our ability to perform consistently in a dynamic environment.*

*Looking ahead, supportive policy measures, improving market access through recent India-EU FTA and sharp reduction in US tariffs, along with Europe's sustainability-led sourcing shift are creating strong tailwinds for the Indian textile sector. With our scale, integrated manufacturing and early leadership in circular recycling, we believe Filatex is well positioned to benefit from these trends and drive sustainable long-term growth."*
