CPS Hires Liza Cabanillas as the New Inventory Team Lead!

Norris, TN – October 3, 2022 – CPS is pleased to announce the hiring of Liza Cabanillas as the Inventory Team Lead. She will be responsible for the inventory management of the company as well as overseeing the shipping and receiving department.

Liza Cabanillas served 11 years in the United States Marine Corps as the inventory manager. Because she has extensive supply, customer service, and sales background, we are excited to have her join the team with the experience and knowledge she's going to contribute to the company.

"We are excited Liza has become a part of great and dynamic CPS team as our Inventory Team Lead. Liza brings more than 10 years of military and civilian experience to market to propel CPS' inventory processes and systems to the next level. She has shown a strategic, balanced approach in improving the inventory teams processes. Liza's high adaptability has enabled her to hit the ground running, gaining significant understanding of the company's systems, inter-departmental connectivity, strengths, and opportunities. Liza is an organized and focused leader that understands the tasks at hand and relates well with team members. Liza's calm demeanor and approach naturally puts team members at ease and enables everyone to stay focused on the challenge at hand. We are excited and thankful for the addition of Liza to the CPS team and anticipate her helping us to deliver success for CPS and our valued customers the remainder of 2022 and into the future!"- Teacher Abrams, Director of Strategic Sourcing.
