ABOUT

Alex Foote joined HHM in 2019 as a staff accountant after completing an internship in the tax department. She prepares business and individual tax returns and tracks fixed asset depreciation for an array of clients. Her drive to learn each day and genuine interest in business make her a invaluable asset to the team.

Before embarking on her accounting career, Alex worked in both commercial and residential real estate. During this time, she gained vast experience in business operations and financial reporting.

On the weekends, you can find Alex horseback riding or running one of the beautiful trails in Chattanooga.
