Accounting & Assurance

## ABOUT

Prior to joining HHM in 2013, Lydia Roberts spent nearly seven years as an Event Manager for the Chattanooga Convention Center. Always good with numbers, she realized her proclivity for the profession after serving as the main point of contact for some of Chattanooga's largest accounting firms and professional organizations, including TSCPA and Chattanooga Tax Practitioners.

Lydia is an EA (Enrolled Agent) and her attention to detail and organizational abilities serve her well in her career, preparing and reviewing tax returns for HHM's tax department. She enjoys the opportunity of working with a variety of clients and in several different areas.
