## ABOUT

As a supervisor, Chelsea O'Shields leads several tax and assurance engagements for a variety of clients. Her primary focus is automotive dealership, as she has gained an array of knowledge of the industry by working alongside automotive professionals both within the walls of HHM and externally. Her desire to grow within the automotive industry has also led her to work alongside the MAS team on a variety of projects. Chelsea enjoys learning the unique facets of each dealer's business and helps clients identify opportunities for growth, cost savings, or improved processes.

Chelsea first joined HHM CPAs as an intern at the beginning of tax season in 2015. She transitioned into a full-time position in August 2015 on the accounting and assurance team.

In her spare time, Chelsea enjoys just about any type of outdoor activity in the Ocoee area – from hiking with her husband to napping in a hammock.
