ABOUT

Jennifer Fryar is a manager in the tax department. Since she joined the firm in 2005, she has used her extensive tax experience to serve clients. In addition to tax planning and preparation, she provides QuickBooks assistance and bookkeeping support for her small business clients, particularly medical practices.

Clients appreciate Jennifer's focused and intentional approach, and she enjoys helping them better understand the financial side of their businesses. The self-motivated mother of three also finds time to pursue her CPA certification.

When not at work, Jennifer is usually juggling ball practices and other school activities, but she also enjoys playing tennis and spending time with friends and family. She and her husband stay busy with their three children and a rescue dog.
