## ABOUT

Garrett Williams joined HHM as an intern during the 2018 tax season and began as a full-time staff accountant shortly after. He currently works on tax returns, financial statement preparation, and communicates with staff on various projects. Garrett's hunger to continually learn new things and thoroughness on each project are just a few of the reasons he is such an asset to the HHM team.

Before joining HHM, Garrett worked in the accounting department of a leading, nationwide industrial mechanical construction company, giving him the industry knowledge and skills to provide clients with comprehensive accounting services.

Garrett is a proud Georgia native and resides in the Fort Oglethorpe area. When he isn't working hard on clients' tax returns, you might find him playing soccer, watching movies and enjoying the outdoors through swimming, kayaking, tubing and hiking. He enjoys these activities much more when he is accompanied by his favorite people, his wife and two children.
