ABOUT

Josh Collier officially joined HHM in 2021 as a staff accountant after interning in the Memphis office where he will prepare tax returns, conduct discussions with clients and many other tasks that help in providing exceptional service. Josh works well under pressure and is exceptional at solving problems and thinking through situations. Having worked through management at Chick-fil-A, Josh understands a stressful environment.

Josh has lived in Memphis for almost 13 years now but with his parents and two dogs in Charlotte, he always tries to make time to go see them.

Going outside and going to new places with friends is Josh's choice when it comes to how he spends his free time. He always tries to have fun with everything he does and live without any regrets. Josh graduated from the University of Memphis in 2020 and defines success as being able to do something he enjoys to the best of his ability.
