OEM Services

TIPCO works in concert with world-class manufacturers to specify and fabricate hose assemblies that meet the individual needs of all our OEM accounts. With a dedicated OEM Fabrication facility in Curtis Bay, Maryland, TIPCO offers:

ISO 9001-2015 Certified Quality Management System

- Customized Hose Assembly Kitting
- Danfoss E-Cert Distributor
- Customized Part Numbering
- Bar Coding
- Proprietary Designing
- Complete Hose Testing & Certification
- Customer Dedicated Inventory
- Customized Packing
- Engineering & Drawings
- Contract Manufacturing

On-Site Hydraulic/Industrial Hose Service

- **Mobile technicians:** Trained technicians arrive at your location with a fully stocked vehicle to assess, remove, and replace damaged hoses.
- **Custom fabrication:** We can custom fabricate new hoses on-site to fit your specific equipment needs.
- **Emergency service:** 24/7 emergency service for critical situations.
- **Minimized downtime:** Quickly get your machinery back up and running without having to transport it elsewhere.

Metal Hose Fabrication

With five ASME Section IX certified fabrication facilities across the country (Virginia, New York, Oregon and two in Texas), our team of specialists can help design the perfect metal hose solution. Our capabilities include:

ASME Section IX Certified

- Custom Design Assistance
- Reverse Engineering
- Material Selection
- On-Site Consultation & Product Specification
- Stainless Steel Hose Stocked from 1/4" - 6"
- Wide Range of Stainless and Carbon Steel Fittings
- Metal Chlorine Hose
- Kit Assembly

Vendor Managed Inventory (VMI) Services

Inventory management/storage is a significant cost for your business. If floor space and shelf space are valuable assets in your facility and/or you are looking for ways to maximize your employee time, let our VMI Services Team help. Taking on the inventory "risk", our VMI Team will manage your stock effectively and efficiently, giving you the freedom to focus on your core business.

Our VMI Pledge

- Lower Overall Inventory Costs
- Smaller Footprint
- Clean, Efficient & Organized
- Reduced Administrative Costs
- More Reliable Delivery
- More Accurate Inventory Management
- Build Closer Supplier/Customer Relationships
- Bin Barcoding for Efficiency
- Better Inventory Control
- On-Time Reports
- E-Store Order Entry Available with Confirmation

The Designed-For-You service offers a dedicated expert to support your business. Trade hassle, high overhead costs, and long product lead times for streamlined ordering and substantial documented savings from TIPCO VMI Services.
