Hello, I had a great experience with sister Beronica and sister Saradafor the ear piercing of my 5-year-old daughter. They were extremely helpful and very sweet. My daughter was very comfortable; it was a seamless experience. Thank you, Cloudnine, for having such lovely and comforting staff.

Cloudnine has excellent service and a very nice & humble staff. They also have top-notch home care services like paediatric vaccination, at-home lab sample collection service, & pain-free ear piercing service. I recommend Cloudnine for new Mommies and Poppies as the hospital provides everything under one roof.
