# PARAMOUNT RANCH ATHLETE GUIDE

WE ARE BACK! We're so excited to bring back the most fun holiday race to its original course, as the rebuild of Western Town continues. It'll be a beautiful day to make the season merry and bright! The golden era of movie making started here in 1927, with Paramount Ranch eventually being sold to the National Park Service in 1980. This course features rolling hills through chaparral, riparian and valley oak savanna plant communities. It's going to be COLD at the start. Be sure to come in layers and put on your best holiday gear for a chance to win a free entry for most festive costume!

## RULES + RESPONSIBILITIES

1. **NO LITTERING. DO NOT EVER** drop trash anywhere other than in a trash bag, at an aid station. Besides just not being cool, If trash is seen on the trail, we could lose our permits!
2. **WE ARE CUP-LESS.** You absolutely must bring a reusable cup/hydration pack/bottle.
3. **BE NICE, BE KIND, OR BE CUT.** Be nice to each other, be nice to the volunteers, be nice to other trail users - or be disqualified. KHRaces does not tolerate abuse of any kind, to anyone. This includes crews!
4. **BE ON TIME.** We cannot allow runners to start the race late. Please arrive with enough time to get your bib, get settled and get to the start line on time. This is for your safety, and is required by our permit.
5. **BE CLEAN.** Volunteers will use tongs to hand out snacks, etc. Runners must open & close their own packs/handhelds and volunteers will fill with whatever liquids you need.
6. **BE AWARE.** Music/headphones are OK, but keep the volume low & be aware of guidance from aid station volunteers, other runners & trail users.
7. **CREWS.** Be sure your crews map out each destination they are allowed to be at. No crews or spectators are allowed anywhere other than those spots we have designated. Crews must follow any directions provided by race staff and aid station captains/volunteers.
8. **POLES.** We are OK with poles, just be cautious of other trail users/runners, especially on single track sections.
9. **MAPS.** The course will be very well marked with orange ribbon/flagging and signage at critical turns, but all runners are responsible for familiarizing themselves with the course map.
10. **HAVE FUN!**
