Huge thanks to all the members of Big Crush! The band **far exceeded our hopes and expectations** and we had the **best time dancing the night away.** The pianist and trumpeter's interpretation of our processional songs was perfect. So many guests said the band was **one of the highlights of the night.**

We could not have been happier. The band's energy was **absolutely electric** and guests **immediately filled the dance floor.** They played a wide range of tunes and kept the energy high the entire night. My wife and I were given a **special surprise** — the band cleared the floor and played a **private song just for the two of us.** You will not regret hiring Big Crush!
