

PLIMMERTON BOATING CLUB

Plimmerton Boating Club has been an integral part of the Community since 1925, thanks to the vision of locals collectively building ramps & jetty to access the sea. Initially in the 1920's this was just sail-powered boats but now motor boats, kayaks, jet skis, SUP's & more are launched most days with easy access to world-class fishing & sailing conditions.

Who can be a member of Plimmerton Boating Club?

● Membership of Plimmerton Boating Club is open to everyone who has a genuine interest in being associated with club activities, or owns a boat, or is a crew member on a boat/watercraft

What are the types of Membership?

The two broad types are 'full' and 'social' members.

- **FULL** membership covers a household and gives drive-on access through the gate, and slipway access of the ramp for launching. Full members qualify to hire boat sheds/parks at additional cost, subject to availability. Discounts for Veteran & Juniors may apply
- **SOCIAL** members are those interested in club activities & supporting their local community club. They do not have a gate access card to use the slipway/ramp for launching.
