EUROPEAN OUTDOOR WEEK

MAY 14 - 19 2026

From 14-19 May, Riva del Garda and the Garda Trentino area will become the European and international outdoor and running capital, attracting both industry professionals and a large and diverse community of enthusiasts.

The dedicated days for the Outdoor trade show (17-19 May) will be at the heart of the first European Outdoor Week (14-19 May), which will also incorporate the Outdoor Impact Summit (14-15 May), the EOG Assembly (16 May), the European Outdoor Awards (16 May) ceremony, as well as events and initiatives to test product and enjoy the local area.

LOCATION

RIVA DEL GARDA

Garda Trentino is a unique destination, where the lake and the mountains meet to offer a wide range of outdoor activities: trekking, trail running, climbing, camping, bike and water sports.

A few steps away lies Arco, world capital of climbing and the location of Rock Master, which completes the offer with excellence outdoor shops. Riva del Garda is a location that combines sport, nature, and lifestyle in an extraordinary setting.

RIVA DEL GARDA

A STRATEGIC LOCATION

Accessibility and natural beauty: located in the extraordinary Garda Trentino region, Riva del Garda is a strategic location.

This unique destination can be easily reached from cities such as Milan, Verona, Cortina d'Ampezzo and Venice, and is perfectly connected through airports, train stations, and an efficient highway network.

OUTDOOR & ORBDAYS

17-19 MAY 2026

After the Outdoor pause, the EOG has been actively listening to the market's voices: brands, retailers, media, and stakeholders asked for an event closer to the industry's actual needs, which could offer value, emotions, and true connections at the right moment in the calendar (start and middle of May). The focus will not just be limited to product, but will show innovations, previews, and feature storytelling.

Outdoor & Running Business Days has already proved capable of meeting the needs of the Italian outdoor industry. For this reason, it felt natural to build the new International Outdoor trade show starting on this solid platform.

OUTDOOR & ORBDAYS

AN INTERNATIONAL SHOW

The format is a combination of product testing, workshops, networking, and training — a dynamic ecosystem where professionals and companies meet to do business, but also to share ideas, projects, and insights on trends and strategies.

The 2025 ORBDAYS concluded with record results, over 3,000 registered professionals, 130 exhibitors and 200 brands, 1,600 retailers representing 600 stores. 80 international buyers participated, from over 10 countries, including Germany, France, the United States, Mexico, Japan, Romania, Slovenia, Austria, Moldova, Ukraine, Spain, the Czech Republic, Croatia, Greece, and Brazil.

The international aspect of the show is further strengthened thanks to the strategic alliance between ORBDAYS and EOG and through ongoing collaboration with national and international associations.

EVENT NUMBERS

CONSISTENT EVOLUTION

Born as a test event for outdoor business operators, ORBDAYS eventually built up as a real trade show, engaging the running industry too and merging business with experiences. It has grown consistently in terms of exhibitors and participants.

DAY 1-2

OUTDOOR

IMPACT SUMMIT

MAY 14 - 15 2026

After the success of the first edition held in Munich in May 2025, the Outdoor Impact Summit returns on May 14-15 2026, co-organised by MagNet. The event is an international meeting point focused on sustainability, responsible innovation, and social impact, specifically targeted at the outdoor industry yet offering valuable insights and outlooks for any sector committed to responsible transformation.

Over two days, companies, experts, and organisations will share experiences and strategies on key topics such as circularity, biodiversity, environmental policies, and regenerative business models. The programme includes workshops, master-classes, and roundtables designed to foster debate and the co-creation of tangible solutions. There will also be plenty of opportunities for networking and for establishing international collaborations aimed at building a fairer and more sustainable future.

DAY 3

EUROPEAN

OUTDOOR AWARDS

MAY 16 2026

As part of the EOW, the European Outdoor Awards return with a completely renewed format. The awards will stand as the industry's most prestigious recognition, celebrating innovation, research, and technological excellence. The initiative will highlight the most advanced products, materials, and solutions, promoting new frontiers in design, performance, functionality, and sustainability.

More than just an award ceremony, the European Outdoor Awards will also serve as a moment of engagement and inspiration for brands, retailers, technology providers, media, and other industry professionals.

The European Outdoor Awards offer a unique overview of emerging technologies and the trends shaping the future of the outdoor industry.

DAY 4-6

OUTDOOR

TRADE SHOW

MAY 17-19 2026

A historic European trade fair and long-standing reference point for the international outdoor industry, Outdoor has been the sector's leading summer-season meeting place for over 30 years. After a pause in 2025, the event returns with renewed energy and a refreshed format, joining forces with the Outdoor & Running Business Days in Riva del Garda to create an even more dynamic, experiential, and forward-looking event.

The relaunch of Outdoor marks the beginning of a new chapter for the European outdoor community — with the goal of building a true hub for connection, innovation, and collaboration that brings together companies, professionals, and enthusiasts in a unique international setting.

DAY 4-6 OUTDOOR & RUNNING BUSINESS DAYS

MAY 17-19 2026

The leading trade fair for the national and international outdoor and running industry has been around with growing success for 11 years (8 of them in Riva del Garda). In 2025 over 200 brands and 3,200 industry operators participated in the event, with a significant representation of international buyers coming from 22 countries.

DAY 3-6

ACTIVATION DAYS

MAY 16-19 2026

Get ready to move, explore, and test the limits at ACTIVATION DAYS – a unique part of ORBDAYS and European Outdoor Week in the stunning surroundings of Riva del Garda.

Hands-On Product Testing: Step into the world of innovation and get first-hand experience with the latest outdoor gear and equipment. Test, showcase, compare, and discover products in real-world conditions.

Activity Sessions: Take part in guided outdoor activities led by experts, or host your own sessions. From Hiking to climbing, maybe even getting on the water... Riva del Garda is your playground.

Networking in Motion: Connect with brands, professionals, and outdoor enthusiasts in an active, energetic environment – where every step, paddle, or climb sparks conversation.

ACTIVATION DAYS SET UP & COSTS

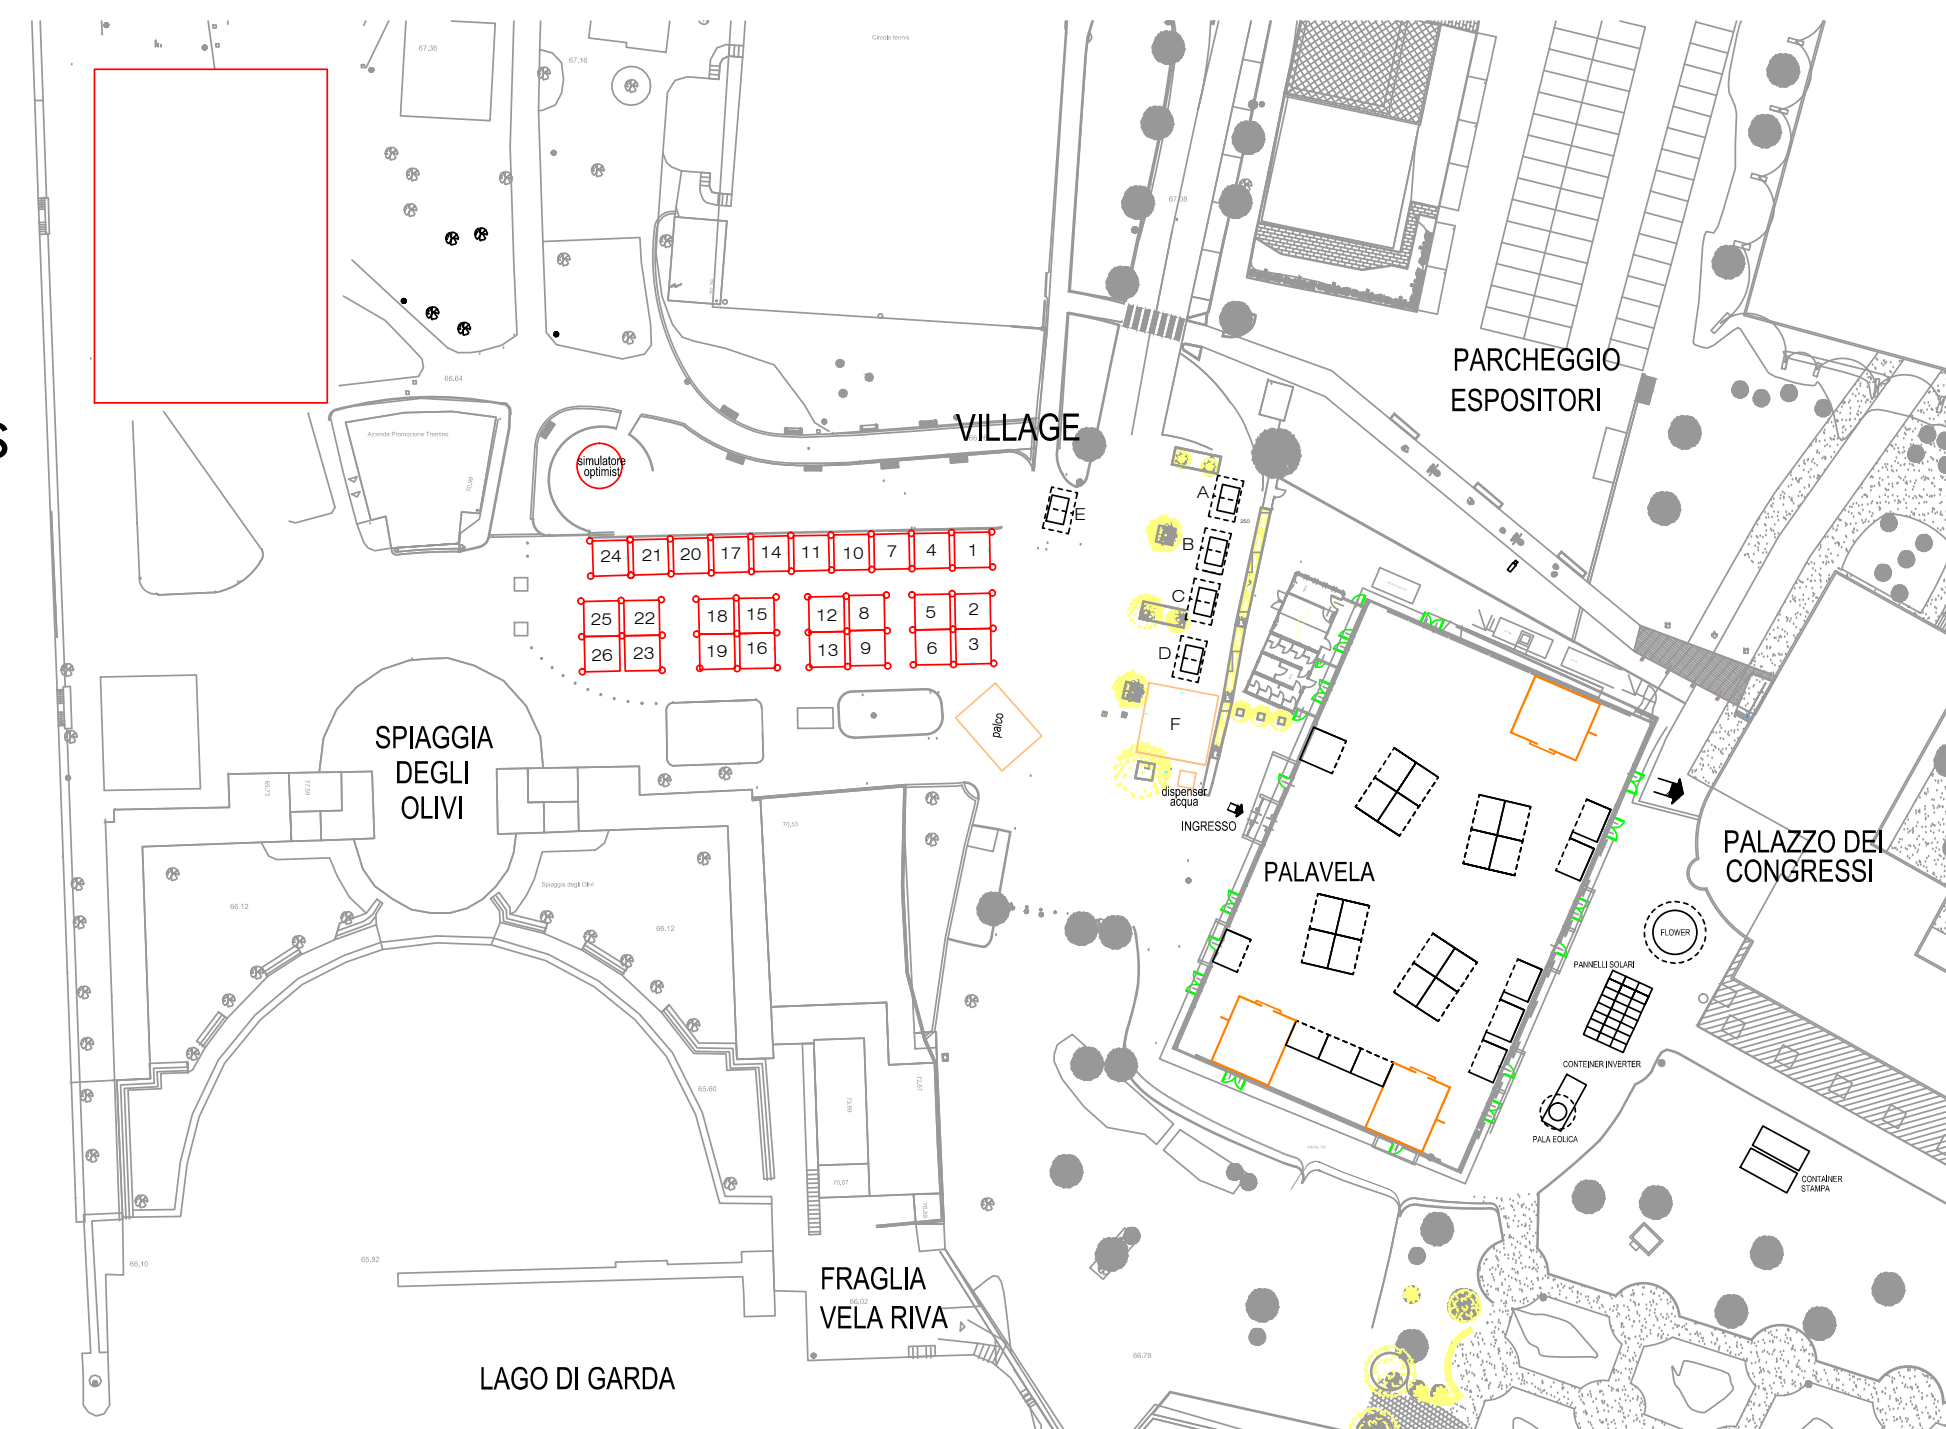

The ACTIVATION DAYS are an opportunity for organisations to showcase new products and initiatives, to provide product for testing or to host activities in the beautiful surroundings of Riva del Garda. We are already collaborating with local organisations to host events — including trail running, trekking, climbing, and biking — that allow brands to connect with key communities, observe and understand consumers, and offer products best suited to their passions.

For European Outdoor Week the area close to the lake and the venue for the Outdoor Impact Summit will host an event village. Close to the centre of town, the lake and with access to the network of local trails this is the perfect location.

Exhibitors can take a space in this area for €1000 per 3mx3m gazebo/popup

ITALIAN NATIONAL ASSOCIATION PARTNERSHIPS

Building on the long-standing partnership with the Italian Outdoor Group and Assosport and with the invaluable support of other national outdoor associations the European Outdoor Week is dedicated to fostering active collaboration across Europe and internationally.

At the trade fair, dedicated spaces will showcase and highlight the contributions of these associations, recognizing their expertise and input. The event will also offer structured opportunities for meetings and discussions, providing a platform to strengthen dialogue, share strategies, and align visions.
