

# Join Our Council

*Advocate for people with disabilities and employment*

## About Us

*We advocate for Division of Vocational Rehabilitation (DVR) customers in Washington.*

*The Washington State Rehabilitation Council (WSRC) partners with DVR to review, analyze and advise leadership on how to create opportunities to employ all people with disabilities in competitive jobs of their choice, and to advocate for DVR customers.*

## What should I know about serving on the council?

- If you enjoy learning, building relationships and advocating for systems change, the WSRC provides a rewarding opportunity for volunteer public service.
- Community Compensation may be available for members who have lived experience and/or are low-income.
