The Governors are seeking to appoint an enthusiastic, passionate, and dedicated Teacher of Mathematics to join our forward-thinking and highly successful school.

We are looking for a dynamic and inspirational teacher who is committed to educating the next generation and is ambitious in continually developing their own practice.

Our Mathematics Department is a collaborative and progressive team, focused on delivering high-quality teaching and learning and achieving exceptional student outcomes. We are looking for someone with excellent teaching, planning, and organisational skills to strengthen and complement our team.

We offer a supportive and professional environment, a strong sense of community among colleagues, students, and parents, and a high standard of professional development opportunities.

The closing date is a guide only. We intend to review applications as they are received and call those shortlisted for immediate interview. An early application is advised, as once we have appointed, we will close the recruitment process.

Closing date for applications: Tuesday 21 April 2026 at 10.00 am

Further information and application forms are available on the school website:
