1 year Fixed Term

Required to start September 2026

1 FTE

The Governors are seeking to appoint an enthusiastic, passionate, and dedicated Teacher of Science to join our forward thinking and highly successful school. We are proud to be an Ofsted-rated Outstanding school.

We are looking for a dynamic and inspirational teacher who is committed to educating the next generation and is ambitious in continually developing their own practice.

Our Science Department is a collaborative and progressive team, focused on delivering high quality teaching and learning and achieving strong student outcomes. We are looking for someone with excellent teaching, planning, and organisational skills to strengthen and complement our team.

The successful candidate will be an innovative and ambitious classroom practitioner with high expectations, who can inspire and challenge students to achieve their very best. Applications are welcomed from both experienced teachers and early career teachers who are eager to develop their skills within a friendly, supportive, and hardworking department.

The school offers a supportive and professional environment, a strong sense of community among colleagues, students, and parents, and a high standard of professional development opportunities.

Closing date for applications: Tuesday 28 April at 10.00 am

Further information and application forms are available on the school website:

www.cncs.co.uk

Cardinal Newman Catholic School is committed to safeguarding and promoting the welfare of children and young people. An enhanced DBS check will be required
