

SURREY CATHOLIC SCHOOLS

Diocesan Catholic Schools are committed to pastoral and academic excellence, enabling the children in their care to know and love Jesus, reach their potential, and flourish.

The Diocesan Education Service works hard to make sure that there is a Catholic school place for every Catholic child in our Diocese;

our diocesan family includes 62 state-funded Primary and Secondary schools across Sussex and Surrey, with 10 independent fee-paying schools and one non-maintained specialist Trust.

Choosing a school is one of the most important decisions that parents and carers make for their children.

Diocesan Catholic schools provide an excellent education to the children and young people in their care, with Gospel values taught in an environment where each person is cherished and valued.
