

BECOMING A FOUNDATION GOVERNOR in a Catholic School

Are you looking for a way to live out your faith and serve your local community at the same time?

If so, becoming a Foundation Governor could be just the thing for you.

There are more than 2,200 Catholic schools in England and Wales, making the Church the largest provider of primary education in the country.

We have a wide range of Christ-centred, nurturing and successful schools in our Diocese. They include 62 state-funded schools, comprising 51 primary schools and eleven secondary schools. The knowledge, dedication and commitment of approximately 4,500 teachers and support staff deliver Catholic education to more than 38,700 children and our schools are ably supported in their work and mission by 700 school governors. Foundation Governors play an important part in maintaining and developing the Catholic character of these schools.

This booklet will explain the role of a Foundation Governor and how you can go about applying.

WHAT IS A FOUNDATION GOVERNOR?

All schools have a governing body comprising of different types of governors, for example parent-governors, staff governors etc.

In addition to these categories, governing bodies in Catholic schools also include Foundation Governors, these Foundation Governors must always form a majority.

The main role of a governing body is to operate at a strategic level, ensuring that the Catholic vision and character of the school is upheld, holding the Head teacher and leadership team to account and overseeing the financial performance of the school.

Governors also set the budget, manage the school's admissions criteria and are involved in the recruitment of senior leadership. Foundation Governors are appointed by the local Bishop specifically to preserve and develop the Catholic ethos of the school and represent the Bishop's education policy (e.g. worship and religious education) to the governing body.

This is why Foundation Governors will always outnumber other governors.

There is no magic formula about what makes a perfect Foundation Governor, they come from all walks of life and all ages. But it is important that each governing body has a good mix of skills, knowledge and experience.

The Diocesan Education Service manages the administration process for the appointment of Foundation Governors on behalf of the Bishop. The Education service provides support to governing bodies in carrying out their responsibilities.

RESPONSIBILITIES AND TIME COMMITMENTS

The average Foundation Governor role will take up about 10-12 hours per month.

However, this can vary depending on the school calendar or by events, such as an Ofsted Inspection or Catholic School Inspection.

This commitment includes the minimum requirement of attending three full governor meetings per year and serving on at least one committee.

The committees will focus on areas such as finance, curriculum, pupil progress and site management.

The Diocesan Education Service provide training and support in all aspects of school governance, you will be encouraged to attend these training sessions.

DO I FIT THE CRITERIA?

Governors come in all shapes and sizes. But it is important that each governing body has a good mix of skills, knowledge and experiences.

Because not all governing bodies need the same skills, to be successful, it is vital that individuals from all backgrounds volunteer to be a Foundation Governor.

Any practising Catholic over the age of 18 can become a Foundation Governor. A reference from your Parish Priest will be taken up as part of the application process.
