

S-COLLECTION SE 2-LEG, 2-STAGE

The SE 2-Leg, 2-Stage desking solution exemplifies the Danish design principles of simplicity and functionality. This electric, height-adjustable table offers a slightly smaller height range than the 3-stage, but with equal weight capacity and visual configurations.

A wide range of color combinations, finishes, and surface shapes make the 2-stage a highly customizable option. This electric sit-to-stand table comes in a 2-leg configuration with a long list of optional features.

FEATURES

- **Adjustable:** Electric motor allows for a 350 lb. lift capacity, raising at 1.5" per second.
- **Smart:** Standard, software-based collision detection mitigates damage.
- **Certified:** Meets ANSI/BIFMA standards and is ETL listed to UL 962.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.
