We are also part of the “**Yarra Valley VET Cluster**” of schools and as such are able to offer other VET programs within the local region. Students may travel to these schools to undertake the program. Schools in the Yarra Valley VET cluster include:

- Billanook College
- Lilydale Heights College
- Lilydale High School
- Mount Evelyn Christian School
- Mountain District Christian School
- Ranges TEC
- Upper Yarra Secondary College
- Yarra Hills College
- Mount Lilydale Mercy College

- Box Hill Institute: [VET Delivered to Secondary Students Courses \(VETDSS\)](#)
- Swinburne: [Swinburne VETDSS](#)
- Ringwood Training: [RT Courses](#)
- Ranges TEC: [Ranges TEC](#)

DAYS AND TIMES

Delivery of VET programs is predominantly on a Wednesday afternoon. In some cases students will have to leave class early to meet with VET commitments. Students will require an Early-Leavers Pass which will be issued at the start of 2026. In such cases, students must communicate regularly with their teachers to catch up on work missed, as their first priority is their College commitments. Some MLMC provided VET courses such as Sport, Aquatics and Recreation and 1st year Building and Construction run during the normal timetable. Some VET subjects run all day, or in the morning on a Wednesday, so these courses are only available to VCE VM students. There are a select few courses that may also run on a Thursday, which are suitable only for Year 11 VCE VM students.

APPLYING FOR VET PROGRAMS

- Students need to apply for enrolment in ALL VET courses through the Web Preferences Portal followed by the VET Enrolment Google Form, including those students wanting to continue with the 2nd Year of their current VET course.
- Places in VET courses are limited, so students will be awarded places on a first in basis.
- All Year 10-11 students undergo a Careers Counselling interview prior to subject selection where VET courses should be discussed.

PATHWAY SELECTION STEPS

1. VET staff will be available at the course selection-confirmation evening to answer any queries or help with course selection.
2. Select VET as one of your subjects on the Pathways Portal, once you have submitted your subjects there will be a link to fill out the VET Enrolment Google Form. Make sure you select the correct year of the course, as you are unable to complete year 2 without successfully completing year 1. Read the ‘Important Information’ and complete all questions.

VET FEES

All courses are subsidised, the out of pocket amount varies depending on the industry, the course, and the training organisation. An indication of course fees based on current cost and funding is provided in the following table.

Indicative VET Fees for VET Courses 2026

All costs and courses are subject to change for 2026

This list includes all **MLMC VET Courses**, and a selection of other VET Courses offered by other providers.

Please contact the VET / Careers office vetadmin@mlmc.vic.edu.au for further information.
