Authority. Details about the extent of our regulation by the Prudential Regulation Authority are available from Zurich on request. Zurich's firm reference number is 959113.

5. Your Bicycle Insurance Cover

This is not insurance as You know it as You won't be charged a fixed premium. Being part of a Collective means committing to take good care of Your Insured Gear for the sake of the other members of the Collective. Think team first. Laka trusts that You play fair and will do all You reasonably can to avoid claims. This benefits You and Your fellow Collective members as Your monthly Share is based on the Collective's claims. The less the Collective claims, the less everyone pays.

5.1 How it Works

Every month You will be charged Your Share of the cost of claims. Your Share is charged for the cover provided by Zurich under this Bicycle Insurance Policy.

Every month You will also be charged Your Laka Fee, which will be calculated as a % of Your Personal Cap. You will be charged the Laka Fee under the Laka Fee Agreement. The Laka Fee remunerates Laka for its role as Administrator.

Whatever happens, Your Payment will never be more than the Personal Cap shown in Your Policy Schedule.

You will receive a monthly billing email which explains how Your Payment was calculated.

5.1.1 Renewal of Your Policy

Unless You have chosen for Your Period of Insurance to end sooner, this policy will automatically renew every month.

5.1.2 Cancellation of Your Policy

When You take out a new Bicycle Insurance Policy or if You make changes to Your Package in the Laka Platform, this may result in a 30 day lock in period, during which time You will not be able to cancel Your policy - You will be notified of any lock in period before it is activated in the Laka Platform.

After this period, You may cancel Your Bicycle Insurance Policy at any time through the Laka Platform or via email at support@laka.co. You will be liable to make Your Payment for the number of days You were covered in the month in which You cancel. Your final bill will be issued at the end of the month in which You cancel.

You have a 14-day cooling-off period from the policy inception date. If You decide that this insurance is not for You, You may cancel within this period without penalty, unless You have already made a claim,

in which case You will be required to make Your Payment for the month.

Laka may cancel this policy on Zurich's behalf if You have withdrawn Your Payment details and no other method of Payment is registered on the platform. If this happens Laka will attempt to verify with You that this was intentional.

Laka may cancel this policy by giving You 14 days' notice in writing where there is a valid reason. Valid reasons include but are not limited to non-payment or not complying with the conditions of cover. Laka will cancel the policy immediately if there is evidence of fraud or serious non-disclosure and backdate that cancellation to the relevant date without returning any Payment You have made.

5.1.3 Your Payment

Laka will attempt to collect Your Payment on the 3rd business day of the calendar month after the Period of Insurance. Laka will pre-authorise Your Payment on the last day of the Period of Insurance in which You are covered.

If Laka cannot collect Your Payment successfully, Your cover will be paused retroactively to the last day of the previous month and You will not be able to submit a claim.

Laka will attempt to get in touch with You to continue Your cover. If Laka receives Your Payment before the 7th business day of the new month, Laka will reactivate Your cover retrospectively. If not, Laka will cancel Your policy.

If after 30 days You haven't paid, Laka reserves the right to report the unfulfilled Payment to a credit referencing agency of Laka's choice.
