

# Interview Recorder HD600

WESTMINSTER  
GROUP PLC

Product Code: 2530-06

## Key Features

Desktop

High Definition Recording

Recording to Hard Disc & Dual DVD-ROM

Fast to seal DVD after interview, around 1 minute

Start and end recording with a single button

1080P capture and preview, both analogue and IP camera supported

## Overview

**The HD600 is a high-definition rugged case investigation interview recorder with dual screen. The professional design is specifically for law enforcement interviews in Police, Courts, Customs, Military and Child Advocacy etc.**

IR-HD600 can simultaneously capture video and audio on the scene, recording to hard disk and burn in dual DVD-ROM with an only hash value synchronously, which can seal the evidence with not be able to falsify. Built in 2 cameras and 4 microphones, front camera is facing the interviewer, back cameras are facing interviewee. Except the main screen, there is an additional screen facing interview to show the evidence. It is ideal choice for on-site interview recording.
