

Virtual Open House Experience

Would you prefer not to attend in-person gathering? Have no fear!

City Garden will be launching a Virtual Open House Experience on Sunday, November 8th at 3:00 PM.

The Virtual Open House Experience will feature students, parents, educators, and more highlighting the very best that City Garden has to offer students, families, and the community at-large.

Be sure to follow us on Facebook, Twitter, Instagram, and LinkedIn for our Virtual Open House Experience. You can also visit us online at citygardenschool.org/admissions
