

BECAUSE EVERY CHILD DESERVES TO THRIVE — AND EVERY TEACHER DESERVES THE SUPPORT TO HELP THEM BLOOM

A Message from Leadership

Dear Partner,

At City Garden Montessori, we're redefining what's possible in public education—and we're doing it with purpose, community, and joy.

Thanks to your support, we are making bold investments in our teachers and students. **We have committed to raising teacher salaries to reflect the excellence they bring every day.** Our updated pay scale makes City Garden more competitive, especially for **teachers who earn dual certification in Montessori and state standards.** When they do, we provide a \$7,500 raise—because great teaching deserves great support.

Next year, we're introducing early-release Fridays, giving our educators the time they need to plan and collaborate. In turn, **students will enjoy free enrichment programming—robotics, martial arts, music, art, and more—not just supervision, but real learning.**

This is only possible because of you.

Your investment helps us retain our best educators, offer opportunities beyond the basics, and **a focus on equity in everything we do.** Together, we're creating a future where every child has the chance to thrive—and every teacher has what they need to help them bloom.

Thank you for believing in this work. Let's keep growing.

With gratitude,

Christie
